

Overview

IPEDS Student Financial Aid Component Overview Public Academic Reporters

Welcome to the Student Financial Aid (SFA) component. The purpose of the SFA component is to collect information about financial aid provided to various groups of undergraduate students and military/veteran educational benefits for all students at your institution.

Changes to This Year's SFA Component

- New questions on military/veteran/eligible dependent students receiving benefits have been added. Total number and amount will be asked for both undergraduate and graduate students. Please work with your institutional representative who certifies such benefits. They may not be associated with the student financial aid office.

Data Reporting Reminders

Undergraduate Student Groups

You will be asked to report information for different groups of students.

- **Group 1:** All undergraduate students
- **Group 2:** Of Group 1, full-time, first-time degree/certificate-seeking students
- **Group 3:** Of Group 2, students who paid the in-state/in-district tuition rate and were awarded any grant/scholarship aid from the federal government, state/local government, or the institution
- **Group 4:** Of Group 2, students who paid the in-state/in-district tuition rate and were awarded any Title IV federal student aid

COA Revisions

Revisions to Cost of Attendance used to calculate the net price of attendance can be made in this component.

Consult the instructions and screens to make sure you are reporting the correct aid amounts for the correct groups of students.

College Affordability and Transparency Lists

Net price amounts calculated in SFA will be used to populate the Department's College Affordability and Transparency lists.

Interactive Edits and Error Messages

SFA contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk at 1-877-225-2568 for resolution.

Context Boxes

You will find optional text boxes throughout SFA. Context boxes allow you to provide more information about the data you enter. Some of these context boxes may be made available to the public on College Navigator, so make sure that the information you enter can be understood easily by students, parents, and the general public.

For example, institutions may report here other sources of private aid not included in the categories above.

Section 1: Comparison Chart

Comparison Chart

Based on the information reported on the previous screens for Group 1 (all undergraduates) and Group 2 (full-time, first-time degree/certificate-seeking undergraduates), this comparison chart seeks to help institutions check their reported data. Assuming that the information on Groups 1 and 2 are correct, then the calculated fields for 'All Other Undergraduates' should be the balance (Group 1 minus Group 2). If the balance does not check with your institution's calculations, please correct your reported numbers for Groups 1 and 2 before moving forward with the completion of the SFA survey component.

Note: Data for the 'All Other Undergraduates' will appear in the IPEDS Data Center for data users, but not in College Navigator.

Section 1: Cost of Attendance

Cost of attendance for full-time, first-time undergraduate students:

Please enter the amounts requested below. These data will be made available to the public on College Navigator. If your institution participates in any Title IV programs (Pell, Stafford, etc.), you must complete all information. **Estimates of expenses for books and supplies, room and board, and other expenses are those from the Cost of Attendance report used by the financial aid office in determining financial need. Please talk to your financial aid office to get these numbers, to ensure that you are reporting correctly.**

These numbers are carried forward from Institutional Characteristics and should only be changed if an error was made in the reporting.

Section 2: Military Servicemembers and Veteran's Benefits

IMPORTANT NOTE: Report for July 1, 2013-June 30, 2014

- Report the total number of student recipients and the total dollar amounts for each program.
- Student recipients can also include eligible spouse or dependents.
- Consult with your campus certifying official, who may not be in the student financial aid office.
- For Post-9/11 GI Bill Benefits, do not include the matching institutional aid provided through the Yellow Ribbon Program if your school participated.
- Information reported to IPEDS is only what is known to the institution. Do not report benefits that were not awarded/certified through the institution.
- Enter zero (0) if your institution did not have beneficiaries for that student level or program. Please do not leave a cell blank.

Summary**IPEDS Student Financial Aid (SFA) Survey Summary**

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2015.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.

Student Financial Aid

University of Washington-Tacoma Campus (377564)

Source	Description	Severity	Resolved	Options
Screen: Part A - Establish your groups				
Screen Entry	The number entered is outside the expected range of between 260 and 388 when compared with the prior year value. Please correct your data or explain. (Error #7121)	Explanation	Yes	
Reason:	This campus has been expanding, and is actively recruiting and admitting more incoming first-time students. The numbers are correct.			
Screen Entry	The number entered is outside the expected range of between 216 and 322 when compared with the prior year value. Please correct your data or explain. (Error #7132)	Explanation	Yes	
Reason:	This campus has been expanding, and is actively recruiting and admitting more incoming first-time students. The numbers are correct.			
Screen: Part C, Page 2 - Enter Information about Group 2				
Screen Entry	Based on the data reported, the average amount of state/local government grant or scholarship aid awarded to Group 2 students is larger than expected. Please correct your data or contact the IPEDS Help Desk for assistance. (Error #7107)	Fatal	Yes	
Reason:	Overridden by administrator. Students qualified for large amounts of need-based aid from the Washington State Need Grant. That covers a large portion of the tuition. JMP			
Screen Entry	The average amount of this type of aid awarded to Group 2 students is outside the expected range of between 125 and 187 when compared with the prior year value. Please check the number of students and the total amount of aid awarded to these students, and correct or explain the discrepant values. (Error #7147)	Explanation	Yes	
Reason:	Most of the funds in this category are SEOG. This is a relatively small fund that must be split between all Pell Grant recipients, making awarding and spending complicated, and award amounts more volatile.			
Screen: Cost of Attendance				
Screen Entry	This value is expected to be within 20% of the prior year amount. Please correct your data or explain. (Error #7239)	Explanation	Yes	
Reason:	This is just a correction to the prior year figure, reducing it from 3,789 to 3,561.			
Screen Entry	This value is expected to be within 20% of the prior year amount. Please correct your data or explain. (Error #7239)	Explanation	Yes	
Reason:	This is just a correction to the prior year figure, reducing it from 3,789 to 3,561.			
Screen Entry	This value is expected to be within 20% of the prior year amount. Please correct your data or explain. (Error #7239)	Explanation	Yes	
Reason:	This is just a correction to the prior year figure, reducing it from 3,789 to 3,561.			
Screen: Part D - Enter Information about Group 3				
Screen Entry	The number of Group 3 students reported in Part A (line 03) and the total amount of grant or scholarship aid these students were awarded reported in Part D (line 02) makes the calculated average amount of aid awarded to Group 3 students in Part D, line 03 outside the expected range when compared with the prior year value. Please correct your data or contact the IPEDS Help Desk for assistance. (Error #7151)	Fatal	Yes	
Reason:	Overridden by administrator. Students qualified for large amounts of need-based aid from the Washington State Need Grant. That covers a large portion of the tuition. JMP			
Screen Entry	The number entered is outside the expected range of between 69 and 127 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason:	This campus continues to actively work to increase enrollment. On-campus housing is very limited, so, as was true last year, this increase reflects the increase in students with families in this area.			
Screen Entry	The number entered is outside the expected range of between 106 and 196 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason:	The explanation for this edit that was entered and accepted last year is : "This campus continues to actively work to increase enrollment. The increase is accurate."			
Screen Entry	The number entered is outside the expected range of between 50 and 92 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason:	The explanation that was entered and accepted last year for this edit is this: "This campus continues to actively work to increase enrollment. On-campus housing is very limited, so this increase reflects the increase in students with families in this area".			

Screen Entry	The number entered is outside the expected range of between 42 and 78 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason:	The explanation that was entered and accepted last year for this edit is this: "This campus continues to actively work to increase enrollment. On-campus housing is very limited, so this increase reflects the increase in students without families in this area".			
Screen: Part E - Enter Information about Group 4				
Screen Entry	The number entered is outside the expected range of between 67 and 123 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason:	This campus continues to actively work to increase enrollment. On-campus housing is very limited, so this increase reflects the increase in students with family in the area.			
Screen Entry	The calculated average amount of grant or scholarship aid awarded to Group 4 students from the federal government, state/local government, or the institution for this income level is smaller than expected in comparison with the other income levels. Please check the values reported for the number of these students who were awarded any Title IV aid (Col. 1) and the total amount of grant or scholarship aid awarded to them (Col. 3) and correct your data or explain the discrepancy. (Error #7317)	Explanation	Yes	
Reason:	Although the average might be expected to be higher for this group than the next income band, this data is correct. The overall number of students is relatively small, and this group of students seems more likely than others to enroll part time or part of the year.			
Screen Entry	The total number of Group 4 students who were awarded any Title IV aid across all income levels is outside the expected range of between 158 and 262 based on the prior year value. Please correct your data or explain. (Error #7333)	Explanation	Yes	
Reason:	The figure is accurate. This campus has increased FTFY enrollment, especially for needy residents. This is reflected in this number.			
Screen Entry	The total amount of grant or scholarship aid awarded to Group 4 students from the federal government, state/local government, or the institution across all income levels is outside the expected range of between 1,977,103 and 3,295,171 based on the prior year value. Please correct your data or explain. (Error #7332)	Explanation	Yes	
Reason:	The figure is accurate, and very close to the expected value. This campus has increased FTFY enrollment, especially for needy residents. This is reflected in this number.			
Screen Entry	The number entered is outside the expected range of between 103 and 191 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason:	The figure is accurate. This campus has increased FTFY enrollment, especially for needy residents. This is reflected in this number.			
Screen Entry	The number entered is outside the expected range of between 43 and 79 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason:	This campus continues to actively work to increase enrollment. On-campus housing is very limited, so this increase reflects the increase in students without family in the area.			
Screen Entry	The total number of Group 4 students who were awarded any Title IV aid across all income levels is outside the expected range of between 111 and 183 based on the prior year value. Please correct your data or explain. (Error #7333)	Explanation	Yes	
Reason:	The figure is accurate. This campus has increased FTFY enrollment, especially for needy residents. This is reflected in this number.			
Screen Entry	The total amount of grant or scholarship aid awarded to Group 4 students from the federal government, state/local government, or the institution across all income levels is outside the expected range of between 1,021,737 and 1,702,893 based on the prior year value. Please correct your data or explain. (Error #7332)	Explanation	Yes	
Reason:	The figure is accurate. This campus has increased FTFY enrollment, especially for needy residents. This is reflected in this number.			
Screen Entry	The total number of Group 4 students who were awarded any grant or scholarship aid from the federal government, state/local government, or the institution across all income levels is outside of the expected range of between 68 and 178 based on the prior year value. Please correct your data or explain. (Error #7334)	Explanation	Yes	
Reason:	The figure is accurate. This campus has increased FTFY enrollment, especially for needy residents. This is reflected in this number.
