College Affordability and Transparency Lists

Net price amounts calculated in SFA will be used to populate the Department's College Affordability and Transparency lists.

Interactive Edits and Error Messages

SFA contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk at 1-877-225-2568 for resolution.

Context Boxes

You will find optional text boxes throughout SFA. Context boxes allow you to provide more information about the data you enter. Some of these context boxes may be made available to the public on College Navigator, so make sure that the information you enter can be understood easily by students, parents, and the general public.

Section 1: Comparison Chart

Comparison Chart

Based on the information reported on the previous screens for Group 1 (all undergraduates) and Group 2 (full-time, first-time degree/certificate-seeking undergraduates), this comparison chart seeks to help institutions check their reported data. Assuming that the information on Groups 1 and 2 are correct, then the calculated fields for 'All Other Undergraduates' should be the balance (Group 1 minus Group 2). If the balance does not check with your institution's calculations, please correct your reported numbers for Groups 1 and 2 before moving forward with the completion of the SFA survey component.

Note: Data for the 'All Other Undergraduates' will appear in the IPEDS Data Center for data users, but not in College Navigator.

Summary**IPEDS Student Financial Aid (SFA) Survey Summary**

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2016.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.

Student Financial Aid

University of Washington-Tacoma Campus (377564)

Source	Description	Severity	Resolved	Options
Screen: Part C, Page 2 - Enter Information about Group 2				
Screen Entry	Based on the data reported, the average amount of state/local government grant or scholarship aid awarded to Group 2 students is larger than expected. Please correct your data or contact the IPEDS Help Desk for assistance. (Error #7107)	Fatal	Yes	
Reason:	Overridden by administrator. This inst offers the Washington State need-grant and the Washington State College-Bound scholarship and the Washington State Opportunity grant. The average grant aid is over 9K. ALB			
Screen Entry	The average amount of this type of aid awarded to Group 2 students is outside the expected range of between 249 and 373 when compared with the prior year value. Please check the number of students and the total amount of aid awarded to these students, and correct or explain the discrepant values. (Error #7147)	Explanation	Yes	
Reason:	This number is correct. The majority of these grants are SEOG, and award amounts are adjusted each year to meet awarding requirements.			
Screen: Part D - Enter Information about Group 3				
Screen Entry	The number entered is outside the expected range of between 1 and 33 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason:	This campus is working to increase on-campus options for students, so there is an increase in this number.			
Screen Entry	The number entered is outside the expected range of between 69 and 127 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason:	This campus continues to actively work to increase enrollment. On-campus housing is very limited, so, as was true last year, this increase reflects the increase in students with families in this area.			
Screen: Part E - Enter Information about Group 4				
Screen Entry	The number entered is outside the expected range of between 18 and 32 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason:	This campus is working to increase its campus-controlled housing options as it seeks to grow enrollment.			
Screen Entry	The calculated average amount of grant or scholarship aid awarded to Group 4 students from the federal government, state/local government, or the institution for this income level is smaller than expected in comparison with the other income levels. Please check the values reported for the number of these students who were awarded any Title IV aid (Col. 1) and the total amount of grant or scholarship aid awarded to them (Col. 3) and correct your data or explain the discrepancy. (Error #7317)	Explanation	Yes	
Reason:	Although the average might be expected to be higher for this group than the next income band, this data is correct. The difference reflects differences in enrollment patterns and in state grant eligibility requirements.			
Screen Entry	The number entered is outside the expected range of between 147 and 273 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason:	This figure is the amount reported in IPEDS last year, at which time it was accepted without edit. It remains unchanged.			
Screen Entry	The number entered is outside the expected range of between 67 and 123 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason:	This campus continues to actively work to increase enrollment. On-campus housing is very limited, so this increase reflects the increase in students with family in the area.			
Screen Entry	The calculated average amount of grant or scholarship aid awarded to Group 4 students from the federal government, state/local government, or the institution for this income level is smaller than expected in comparison with the other income levels. Please check the values reported for the number of these students who were awarded any Title IV aid (Col. 1) and the total amount of grant or scholarship aid awarded to them (Col. 3) and correct your data or explain the discrepancy. (Error #7317)	Explanation	Yes	
Reason:	Although the average might be expected to be higher for this group than the next income band, this data is correct. The overall number of students is relatively small, and this group of students seems more likely than others to enroll part time or part of the year.			
Screen Entry		Explanation	Yes	

	The total number of Group 4 students who were awarded any Title IV aid across all income levels is outside the expected range of between 158 and 262 based on the prior year value. Please correct your data or explain. (Error #7333)			
Reason:	The figure is accurate. This campus has increased FTFY enrollment, especially for needy residents. This is reflected in this number.			
Screen Entry	The total amount of grant or scholarship aid awarded to Group 4 students from the federal government, state/local government, or the institution across all income levels is outside the expected range of between 1,977,103 and 3,295,171 based on the prior year value. Please correct your data or explain. (Error #7332)	Explanation	Yes	
Reason:	The figure is accurate, and very close to the expected value. This campus has increased FTFY enrollment, especially for needy residents. This is reflected in this number.
