

Occupational Health & Safety Section

American Public Health Association

James P. Keogh Memorial Scholarship Fund, 2008

STUDENT APPLICATION

The Occupational Health and Safety Section will be awarding scholarships that include registration for the 2008 APHA Annual Meeting, (October 25-29, 2008, San Diego, CA), a one-year membership in APHA and \$300.00 for conference expenses. We hope to strengthen the participation of students and union representatives in APHA and our section. We recognize that we need the involvement of workers and new health & safety professionals to make our workplaces & communities healthy and safe.

AWARD:

The value of each award is \$500.00. The Section will directly pay the annual meeting fee & one-year membership to APHA with primary membership in the Occupational Health & Safety Section. Each awardee will then receive \$300.00 that can be used to cover transportation, lodging, and meals. Awardees will be responsible for providing the remainder of funds necessary to cover these expenses. At the Annual Meeting we will pair each awardee with a section member with similar interests.

ELIGIBILITY REQUIREMENTS:

Students

Student applicants should be enrolled in a graduate-level program that can lead to work in the occupational health & safety field. (Examples include medicine, nursing, public health, toxicology, law, industrial hygiene, safety, ergonomics, epidemiology).

Eligible applicants MUST be students at the time of the Annual Meeting.

Please submit your application (by regular or email) by June 30, 2008 to:

Karen B. Mulloy
Denver Health Center for Occupational Safety and Health
605 Bannock, MC: 1423, Denver, CO 80204

Please answer the following questions. (You can add additional pages if you need to, but a concise response is welcomed.)

1). Please briefly explain your current studies in occupational health & safety. Note any topics or projects that you have found particularly exciting.

2) How do you think your discipline can improve health & safety conditions for workers?

3). Please describe what your ideal job would be after graduation.
