UW HUB | North Ballroom

## *Data-driven Mobility Solutions for the Pacific Northwest*

The 2017 PacTrans Transportation Conference will bring together transportation researchers, practitioners, and public officials from throughout the Pacific Northwest to build relationships and share fresh ideas. As PacTrans launches on its new five year mission to explore solutions improving the mobility of people and goods, we will seek out new approaches to technology transfer and workforce development, boldly going where no researchers have gone before.

Please join us for this exciting event! There is no cost for registration and more information can be found at the conference website:
