Hybrid Poster Session: Call for Abstracts

Purpose:

To raise the visibility and awareness of PacTrans-sponsored and other research on data-driven solutions for the diverse mobility challenges of the Pacific Northwest, from all participating universities.

Logistics:

One presenter from each poster will have 30 seconds at the podium to provide an innovative introduction to their poster. The moderator will time each presenter and will end each presentation promptly at 30 seconds. Summary descriptions are not allowed, however, poems, dance, skits, humor, and any novel approach is highly encouraged and desired. The intention is to spark interest in conference participants so that they will wander by your poster during the remainder of the session.

Date and Time:

PacTrans Region 10 Annual Conference
Friday, October 6th from 2:15 pm to 3:15 pm

Submission Requirements:

Title of poster, list of co-authors, and a maximum 250 word abstract submitted via email to Melanie Parades (melqcp@uw.edu)

***If this poster submission is a direct result of PacTrans funded research, please identify that specific project title

Submission Deadline:
