Growers

Ranie L. Haas
Director of Regulatory
and Industry Affairs
Washington State Tree
Fruit Association

Freight System Impacts Resulting from COVID-19

The COVID-19 pandemic has caused major shifts in the demand for freight movements and the availability of different freight modes and services to provide for that need. This session will bring together different freight experts representing different perspectives from across the various freight system supply-chains in the PNW to discuss how different industries have been impacted and likely consequences that may continue into the future.

FREIGHT MOBILITY WEBINAR
OCT 20, 2020 | 11AM - 12:15PM PDT
