## EMPLOYMENT OPPORTUNITY

### Transportation Engineer (Full Time)

**Transportation Engineering NorthWest (TENW)** is a growing transportation planning and engineering firm seeking highly-motivated Engineers in our Bellevue, Washington office. Our firm works throughout Washington, Oregon, and Alaska on a diverse portfolio of private and public projects including, but not limited to: Residential, Commercial, Education, Healthcare, Industrial, Corporate Campuses, Public Infrastructure (Roadway/Traffic Signal/Roundabout Design) and Multi-Modal projects.

**Energetic environment. Competitive compensation. Flexible work hours.**

#### Qualifications and Skills

- Bachelor's degree in Engineering, or within 6 months of graduation
- Sound technical capabilities
- Organizational skills
- Problem-solving ability
- Excellent verbal and written communication skills
- Desire to work hard and produce high quality designs
- Familiarity with AutoCAD
- Proficient in Microsoft Office Software
- Work in a team environment
- Ability to work independently and quickly learn new programs

#### Expectations of Duties

Candidates will collaborate with TENW's planning and design teams on various private development and public projects and work directly for each team's project manager. They will manage multiple tasks working with teams and exhibit strong communication skills in technical writing. Project duties will include the following:

- **Planning** – analyzing intersections, roadways, and parking demand; preparing traffic impact studies and conducting field reconnaissance to capture multi-modal conditions
- **Design** – preparing plans, specifications, cost estimates, schedules, and permit applications for projects; assisting in construction administration duties including site visits, construction coordination meetings, and inspections

**HOW TO APPLY:** Please submit a **cover letter** and **detailed resume** showing all employment and volunteer activities to Elyse Stemmler, at [elyse@tenw.com](mailto:elyse@tenw.com). Visit [TENW.com](http://TENW.com) for additional information about our firm.
