

Autism 200 Series

Autism 200 is a series of 90-minute classes for members of the autism community, including parents and caregivers, individuals and providers who wish to better understand autism spectrum disorder. Faculty from Seattle Children's, the University of Washington and community providers teach the classes. Each class includes time for questions.

Classes are held the third Thursday of the month at Seattle Children's Hospital from 7 to 8:30 p.m. in Wright Auditorium. Parking in visitor lots. Lectures are available to be viewed at home on a PC or mobile device using Facebook Live through Seattle Children's video and teleconferencing outreach program. All lectures are recorded and can be viewed on our YouTube channel and are linked on our website. For more information please visit our website:
