Locating the Experimental Education Unit (EEU) from parking lot E12

The EEU is located behind the east end of the University of Washington Medical Center next to the Center on Human Development and Disability (CHDD). Walk across Montlake Blvd. and then Pacific Ave. towards the University of Washington Medical Center. Continue walking south toward the Montlake Bridge. Just before the bridge there is a paved trail to the right. Take the trail to the bottom of the hill and EEU is the first building on your left. The EEU and E12 are both circled on the map above. Allow approximately 10 minutes to reach the EEU from E12.
