

Pharmacy Class of 2008

Pledge of Professionalism

We, the Class of 2008, commit ourselves to the continued pursuit of excellence and professionalism in all our academic and professional endeavors. We hereby pledge to:

- **Conduct ourselves with integrity, both as students and practitioners, upholding and promoting ethical ideals and standards,**
- **Demonstrate compassion, empathy and understanding for patients and colleagues under any circumstances,**
- **Aspire to demonstrate leadership through initiative and professional conduct,**
- **Maintain a high level of competence through our commitment to lifelong learning,**
- **Strive to put the needs of others before our own,**
- **Recognize our responsibilities toward our patients, peers, and community.**

These values are essential for providing quality healthcare services. As pharmacy students, we will uphold these values and dedicate ourselves to our profession. Beginning today, we will make a lifelong commitment to enhancing professionalism within the practice of pharmacy and the entire healthcare delivery system.
