

Pharmacy Class of 2010

Pledge of Professionalism

We pledge to:

- Live a life of **integrity** by lawfully conducting ourselves with the utmost sincerity and accountability to society.
- Express **compassion** indiscriminately towards our patients and colleagues by dedicating our time and efforts to their well-being.
- Exercise **empathy** and **humility** by putting the needs and concerns of others ahead of our own, and create an environment that is welcome to the diversity of society.
- Focus our strengths and demonstrate **commitment** in our daily actions to optimize pharmacy-based patient care and uphold the highest standards in collaboration with other healthcare professionals.
- Commit ourselves to unbiased **respect** towards our patients, peers, and the community by holding their values and dignity in high regard.
- Dedicate ourselves to **life-long learning**, thereby enhancing patient care and advancing the profession of pharmacy.
