Record answers on a Standard Answer Sheet (Form 1158) using the question numbers (above) and the answer codes (below).

A = may prescribe this drug
B = could only prescribe this drug under a collaborative drug therapy agreement, a scope of practice agreement, or a manufacturer/agency-imposed restricted distribution
C = may not prescribe this drug -- outside this profession's scope of practice
D = may not prescribe this drug -- Controlled Substances Act prohibits prescribing this drug by this profession
E = no authority to prescribe
