PHARM 528 Request for Final Credit

Student Name: _____ Date Submitted* _____

Email Address: _____ Date Started _____

Date Ended _____

Estimate the amount of time you spent in learning each objective and indicate the date each Competency was completed. Some Objectives can be difficult to estimate exact time spent, so think about it as the percentage of effort spent on that activity as compared to the others. When thinking about the experience as a whole... how much emphasis was placed on each of the objectives? Determine your estimate of hours from there. Remember, there should be a minimum of 120 hours total.

Include this form as your cover page on your portfolio of completed Competency Portfolio.
