

**Pacific Northwest Center for Human Health and Ocean Studies
Summer Research Opportunities for Undergraduates**

**Application Form, 2009
For students who would like to be placed with faculty mentor**

Instructions

- 1) Complete the following form
- 2) Prepare an essay (see below) describing your proposed summer research project
- 3) Obtain your unofficial transcript from MyUW or undergraduate advising in 171 MGH
- 4) Submit the above three items by **4:00pm May 22** to the **Ocean Teaching Building (OTB) room 119** or via email to h2oreu@u.washington.edu. Late or incomplete applications will not be considered.
- 5) Obtain a letter of recommendation from a faculty member who is familiar with you and your work. This must be submitted by the deadline above either electronically to h2oreu@u.washington.edu or in a signed sealed envelope to OTB 119.

Student Information

First name _____ Last name _____ Student # _____

Local Address _____ City _____ State _____ Zip _____

Local Phone (____) _____ Email address _____

Graduation date _____ GPA _____ Major _____

Faculty Mentor Preferences

From the list of potential faculty mentors provided, please rank your top three choices.

1. _____

2. _____

3. _____

Essay

Describe your interests in the field of oceans and human health and the work of the three faculty members chosen above. Discuss your motivations for getting involved with a research project, including related prior research experience or coursework completed, and describe how this fellowship would contribute to your education and future goals. Essays must be typed, double-spaced in size 12 font and no longer than 4 pages.
