

University of Washington's Pacific Northwest Center for Human Health and Ocean Studies and the National Oceanic and Atmospheric Administration's West Coast Center for Oceans and Human Health

SEMINAR SERIES

SPR 2012

This series encourages communication among scientists, students and others interested in the complex interactions of oceans and human health. Speakers and articles will bridge disciplines, highlight cross-cutting issues, and expand awareness of the role of our oceans on human health. Everyone interested in these topics is welcome to attend.

Students who would like to receive credit | contact Micaela Parker at micaela@u.washington.edu.
For more information | contact Rita Peterson at ritap@u.washington.edu or Jeff Turner at jeff.turner@noaa.gov.

LOCATION | NOAA Montlake Auditorium
2725 Montlake Blvd E · Seattle, WA 98115
TIME | 2:30pm - 3:30pm

05.01 **Are You Inviting MRSA Home with Your Visit to the Beach?**
TUES

Dr. Marilyn Roberts
Professor of Environmental & Occupational Health Sciences
Adjunct Professor in Global Health
University of Washington

05.08 **GIS and Sustainability Information Science: A Coastal Perspective**
TUES

Dr. Timothy Nyerges
Professor of Geography
University of Washington

05.29 **An 'Omics Approach to Understanding the Toxicity and Success of *Pseudo-nitzschia* in Coastal Waters**
TUES

Dr. Micaela Parker
Research Scientist/Coordinator
Pacific Northwest Center for Human Health and Ocean Studies
School of Oceanography
University of Washington
