

# ILLINOIS COLLEGE of OPTOMETRY

Admissions Open House  
Saturday, October 1<sup>st</sup>, 2011  
8:30 AM – 1:30 PM\*  
3240 South Indiana Avenue  
\*Registration starts at 8:30 AM

The Illinois College of Optometry cordially invites you to attend our annual Admissions Open House. If you are considering a career in health care or Optometry, this event is for you!

You will have the opportunity to:

- explore the profession of Optometry and discover the countless career opportunities available.
- learn more about how you can prepare to be accepted into Optometry school.
- meet ICO faculty, students, and admissions & financial aid representatives.
- tour the ICO campus, clinical facilities, the laboratory affectionately called the Eyepod and our newly renovated lecture center!
- discover new technology and advances in Optometry.
- find out why ICO has a highly esteemed clinical reputation!

To R.S.V.P. please visit <http://www.ico.edu>.
