## DO YOU THINK YOU WANT TO BE A VETERINARIAN?

Adventures in Veterinary Medicine (AVM) is a unique career exploration program for adults, college, high school and middle school students. If you are excited by science, enjoy working with animals and would like to find out more about what it takes to be a veterinarian, then this program is right for you. At AVM you will get a clear picture of

the demands of veterinary school and a knowledge of the varied career opportunities within the

profession. AVM is a thorough introduction for those with an interest in pursuing a Doctor of Veterinary Medicine (DVM) degree.

UNIVERSITY

Cummings School of  
Veterinary Medicine

Adventures in Veterinary Medicine will take you into one of the finest veterinary schools in the country. Tufts is internationally recognized for academic programs that impact society and the practice of veterinary medicine. Our hospitals treat more than 28,000 animals each year; you will learn about the work being done to benefit animals, humans, and the environment.

## SESSIONS OFFERED

*Please visit our website for program dates and tuition.*

To apply online, or to get more information about Adventures in Veterinary Medicine, visit our website at [www.tufts.edu/vet/avm](http://www.tufts.edu/vet/avm).

Tufts University's Cummings School of Veterinary Medicine is located in North Grafton, Massachusetts, about 40 minutes west of Boston.

Tufts is an equal opportunity/affirmative action university.  
*Printed on recycled paper.*

**Take a step toward actively demonstrating your commitment and motivation to become a veterinarian and apply to Adventures in Veterinary Medicine.**

AVM will give you a realistic look at what attending veterinary school is like. We will show you the many roles that veterinarians can have. Sessions include lectures by Tufts faculty and veterinary students, interesting laboratories, demonstrations and hands-on activities with animals.

**If you're bright and motivated, you'll find no better introduction to a career in veterinary medicine.**

Whether you are a middle school student, a high school or college student, or a "transitional" adult, we have a program for you. Our sessions are designed to meet the educational and developmental needs of the participants. AVM is a fun and engaging program that will provide you with a great experience while helping you explore this exciting career.
