The Washington-Idaho-Utah Regional Program in Veterinary Medicine, Office of Student Services hopes you had a wonderful holiday season and a great start to the New Year! The beginning of a new year is always exciting and this one is no exception. We are thrilled about so many new things for this year but we are especially excited about the prospective student's interviews later this month. We are, without a doubt, busy as ever preparing for the interviews and the start of the semester. However, please know we are never too busy to answer your questions so please do not hesitate to get in touch with us.
