

3:00pm, Monday, February 27

World Health Cinema Presents:

BITTER CANE

(75 minutes)

Though made in 1983, this documentary's relevance continues today. It presents the historical background and geopolitical influences that impoverished Haiti and left its infrastructure unable to withstand the devastation wrought by the 7.0 magnitude earthquake in January 2010.

The screening will be followed by a discussion led by **Casey Hastings**, an MD/MPH student in the Department of Global Health who has worked in Haiti on three occasions.

HEALTH SCIENCES, ROOM K-069
ATTENDANCE IS FREE!

Getting There: The easiest way to find the auditorium is from the Rotunda, or from the patio that lies at the south entrance to the Rotunda and I-Court. Contact the Global Health Resource Center, 206-685-7362 or ghrc@uw.edu with any questions. To request disability accommodation, contact the Disability Services Office at least 10 days in advance at dso@u.washington.edu or 206.543.6450, 206.543.6452/TTY.
