

The Mary Gates Endowment for Students expands opportunities for undergraduates by providing Leadership and Research Scholarships. Students are asked to articulate their educational goals outside of standard classroom settings, identify mentors, reflect on their experiences, and actively engage in their own learning processes. Undergraduate students from all disciplines are encouraged to apply.

MARY GATES ENDOWMENT FOR STUDENTS

EARN UP TO \$4,000

\$2,000 per quarter for two quarters to support your learning while you are engaged in a research or leadership activity.

LEADERSHIP SCHOLARSHIPS

Mary Gates Leadership Scholarships can foster your leadership development as you pursue a project or activity important to you and your community. In the application process, we ask you to articulate your own understandings of leadership, what you want to learn, and how you think the activity you have chosen will support your learning goals.

RESEARCH SCHOLARSHIPS

Mary Gates Research Scholarships can support you to engage in a research project of your choice—helping you to discover, articulate, and contribute your talents and ideas with the guidance of a faculty mentor. These scholarships enable you to deepen your involvement and understanding of a topic and to engage in the intellectual endeavors of the University.
