## STEM Research Panel for Undergraduate International Students

Thursday, February 20<sup>th</sup> @ 4:30 - 6 pm | MGH 171

Are you an undergraduate **international student** interested in science, technology, engineering, or math research or currently making the transition into a lab setting?

Join current graduate and undergraduate student researchers and faculty for a discussion on how to maximize your research experience by becoming a more productive and engaging member of the lab!

RSVP at: expo.uw.edu/expo/rsvp/event/438

Contact the Undergraduate Research Program for more info: <u>urp@uw.edu</u> | <u>exp.uw.edu/urp</u>
