

WILDLIFE AND AQUATIC ANIMAL MEDICINE CLUB

20th Anniversary Symposium

SATURDAY & SUNDAY, MARCH 29 & 30, 2014

Gladys Valley Hall, School of Veterinary Medicine
and a **live online interactive webinar**

Join us for the Wildlife and Aquatic Animal Medicine Club's (WAAM) 20th Anniversary Symposium for veterinarians, technicians, rehabilitators, students, and those passionate about zoological medicine.

Topics include:

- Contraception in Zoo Animals
- Sea Turtle Medicine and Conservation
- Pathogens and Pathogenesis at the Human-Animal Interface
- Advances in Rehabilitation of Marine Mammals
- Thick-billed Parrot Medicine and Conservation
- Sea Otter Anesthesia and Field Techniques
- Primate Clinical Medicine
- Advances in Oiled Wildlife Care

Please join us for these special 20th Anniversary events:

- **Key Note Address** – Dr. Murray Fowler, seminal figure in Zoological Medicine and founder of the UC Davis zoological program, will be speaking on *“Zoological Medicine – the past to the present and the role of UC Davis”*
- **Saturday Night Networking Reception** – A unique opportunity for networking with our speakers and zoo and wildlife professionals. Profits from this event will go toward the WAAM student scholarship.
