

Now Hiring Part-Time Medical Scribes!

- **Launch Your Career in Healthcare**
- **Work with Physicians and Nursing Staff**
- **Build Your Professional Network**

Job Status: Part time Scribe positions available to support Tacoma General Hospital!

Medical Scribe Systems (MSS) is an industry leader in providing comprehensive scribe staffing services to hospitals and physicians' groups nationwide. We are seeking energetic, organized individuals to assist doctors with medical charting. The ideal candidate will have strong written and verbal communication skills, as well as the ability to work under pressure in a fast-paced clinical environment. Previous experience is not required as we provide full training.

This is the perfect opportunity to build your professional network and gain firsthand knowledge of the medical field.

Job Duties:

- Transcribing the patient examination in real time into an Electronic Medical Record (EMR)
- Understanding clinical workflow
- Reviewing prior medical records
- Checking on the progress of x-rays and other patient data

Preferred Qualifications:

- Strong interest in medicine
- Currently pursuing a career in healthcare
- Strong typing skills (50+ WPM)
- Ability to multi-task
- Professional can-do attitude
