

UW Lung Health is recruiting officers!

UW Lung Health works with the **American Lung Association** to promote various fundraising events. Our events help American Lung Association to **fund research, education, and advocacy** programs that improve the air we breathe and to reduce the burden of lung disease on patients and families. Below is a brief description of the upcoming fundraising events.

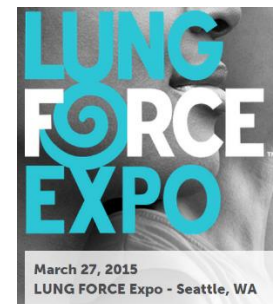

American Lung Association Fight for Air Stair Climb at Rainier Tower

- <http://www.lung.org/donate/events/fight-for-air-climb/>
- January 24th, 2015
- Families, individuals and teams will join together in the Seattle Fight for Air Climb in downtown Seattle to raise awareness for the millions of Americans who suffer from lung disease.

American Lung Association Lung Force Expo

- <http://www.lungforce.org/expo>
- March 27th, 2015
- LUNG FORCE Expos is one-day event features experts from a variety of lung health-related fields presenting on current research and hot topics surrounding lung cancer, COPD, asthma and other lung diseases. The expo offers a great way for patients, caregivers and the local medical community to connect.

American Lung Association Lung Force Walk

- http://action.lung.org/site/TR?fr_id=10450&pg=entry
- May 9th, 2015
- The Walk will start with a .3 mile Lung Heroes Lap around Denny Park (9th & John, Seattle, WA 98109). Those who wish to continue will walk to Lake Union Park, with music and fun then return to Denny Playfield for more music, kids' activities, lung health and advocacy information, a chance to visit our sponsor and mission tents, and prize drawings!

In addition to Fight for Air Stair Climb, Lung Force Expo, Lung Force Walk, as officers of UW Lung Health, depending on your interests and schedule, you can also assist **Smoking Cessation Class** in Seattle area working with ALA-trained specialist, **facilitate tobacco free campaign**, and research on making UW Lung Health the **first campus chapter of American Lung Association at UW!**

As an Executive of UW Lung Health, you will have the opportunity to collaborate with the American Lung Association in Seattle to:

- gain unique experience in **event planning, marketing**
- work with the American Lung Association staff to pitch marketing ideas to experts in the field
- earn **Leadership Awards**
- **earn professional letter of recommendation** by staff and CEO of American Lung Association for excellent involvement
- **network** with experts in the non-profit health organizations
- obtain **internship** opportunity

Our Executives have the duties including:

- Volunteer in the American Lung Association office at least once a month to facilitate with event planning (This is a good way to meet staff and will help with getting a reference letter in the future)
- Attend weekly or biweekly meeting
- Reach a minimum of \$150 personal fundraising goal for the Fight for Air Stair Climb (We have a nice and easy website to make this happen.)

If you can fulfill the above duties and are interested in joining the Executive Board, **please click on this Catalyst Survey and apply now for rolling admission:**
