

## When?

Friday, May 15<sup>th</sup>, 2015  
12:30-1:00pm

## Where?

UW Seattle, HUB 214

## Who?

Everyone!

Supported By:

# Mental Health In and Around Seattle

Join the UWWC as we discuss **volunteer opportunities** in and around the Seattle area. We will discuss how the Class of 2015 Gift will positively impact mental health in our community as well as how and where to help those who are less fortunate in our region through our events. **Perfect for pre-health majors and anyone who is interested** in not just seeing the change, but **being the change.**
