

University of Nevada, Las Vegas School of Dental Medicine

Dental School Simulation Course

Working in UNLV SDM's advanced pre-clinical laboratory, participating pre-dental students will gain valuable hands on experience and will discover what dental school is really like. The **NEW REVISED 2016** course will help to confirm your interest in dentistry and make YOU a **stronger** applicant!

During the course you will:

- ✓ Make typodont impressions and pour them in stone
- ✓ Learn how to build a competitive dental application portfolio.
- ✓ Prepare cavity restorations using a high speed dental hand piece and other instruments.
- ✓ Fill cavity preparations using both amalgam and composite
- ✓ Identify normal dentition
- ✓ Model a central incisor in wax
- ✓ Earn a certificate of course completion
- ✓ Meet the Assistant Dean for Admissions and Student Affairs and Faculty on the Admissions Committee **and more!!!**

June 3-June 4, 2016 (Fri.-Sat.)

Fee: \$200

(includes lunch both days)

Each course is limited to 80 students
