8/12/08 – Lectures still needing to be scheduled: Psychotic Disorders, Psychotherapy

Check the clerkship website <http://depts.washington.edu/psyclerk> or call Gayle Schneider at 744-3443 for any changes. Readings to supplement didactic lectures can be found in the course text.

LECTURES ARE LOCATED AT: HMC = Harborview Medical Center, UH = University Hospital, SVAMC = Seattle VA
 Please be on time for the lectures. We attempt to work in a 15-minute break between each lecture and lecturers need the full time allotted them to present material. Thank you.

Parking at HMC is difficult; another option is that students carpool and use the parking garage at Swedish Med Center, then walk over to HMC. Other options are the HS shuttle (for UW students) and the Route 60 Metro bus (for VA students).

* There are no Departmental Grand Rounds during the Summer.

cc: PBSci 665 students, Drs. Combs, Kothari, Murray, lecturers
