Center Auditorium

Magnuson Park at 70th and  
Sandpoint Way NE

UW Office of Regional Affairs  
PO Box 351243  
Seattle, WA 98195-1243

The University of Washington is holding two public forums to discuss its application to the NIH for a Regional Biocontainment Laboratory.

You are invited to attend these forums where your questions and views about the proposed project can be addressed.

A panel of experts familiar with these types of facilities, the research that is conducted in them, and the safety and security measures that accompany them will be on hand to answer questions from the audience after a brief presentation about the grant.

If you cannot attend either forum, you can watch the first one live on UWTV Channel 27 or web-cast at [www.uwtv.org](http://www.uwtv.org). You can also e-mail your questions to the moderator at [rbl3@u.washington.edu](mailto:rbl3@u.washington.edu).

You can also send your questions or comments to the above e-mail address or go to the Regional Biocontainment Laboratory web-site and fill out a comment form at <http://depts.washington.edu/rbl3>

For more information call: 221-4183 or [rbl3@u.washington.edu](mailto:rbl3@u.washington.edu)
