University of Washington Public Notice

Notice is hereby given that the University of Washington proposes to construct new space, partially utilizing Federal funds. The proposed construction project involves approximately 50,000 square feet and will be located at the intersection of Brooklyn Ave. NE and NE Boat St., University of Washington, Seattle, Washington, on the University of Washington campus.

If funding is approved for this project, the University will comply with the State Environmental Policy Act, RCW 43.21C, and other required legislation.

In accordance with Federal Executive Order 11614, which implements the NEPA of 1969, any individual or group may comment on, or request information concerning, the environmental implications of the proposed project. Communications should be addressed to Health Sciences Administration, C-314, Health Sciences Building, Box 356365, Seattle, WA 98195. The Federal grant application may be reviewed at Health Sciences Administration, C-314, Health Sciences Building, during normal working hours.

Date of publication in the Seattle Daily Journal of Commerce: December 6, 2004.
