

May 18, 2010

Vice Chancellor Beth Rushing
University of Washington, Tacoma
Box 358430

Dear Beth:

Based upon the recommendations of the Faculty Council on Academic Policy, the Faculty Assembly has recommended approval of the revised program requirements for the option in Global Studies within the Bachelor of Arts degree in Interdisciplinary Arts and Sciences. A copy of the proposal is attached.

I am writing to inform you that the Interdisciplinary Arts and Sciences program is authorized to specify these requirements beginning winter quarter 2010 and thereafter.

The new requirements should be incorporated in printed statements and in individual department websites as soon as possible. The *General Catalog* website will be updated accordingly by the Registrar's Office.

Sincerely yours,

Mark A. Emmert
President

EXPLANATION OF AND RATIONALE FOR PROPOSED CHANGE

For new program, please include any relevant supporting documentation such as student learning outcomes, projected enrollments, letters of support and departmental handouts. (Use additional pages if necessary).

TSMIN 200 International Interactions has been one of two possible choices (TSMIN 200 or TGH 301) for fulfilling the 5 credit International or Global Interactions Core requirement for the Global Studies concentration for years. Two new world history courses were recently approved: TSMIN 100 World History: Prehistory to 1500 (permanent change from TCXG 230 approved 6/16/09) and TSMIN 101 World History II: 1500-present (permanent new course approved 2/16/10). It is the intent of the IAS history faculty to no longer teach TSMIN 200 and to allow students to fulfill the 5 credit "international" core requirement in Global Studies by successfully completing either TSMIN 100, TSMIN 101, or TGH 301.

TSMIN 100 and TSMIN 101 were first offered in 2010, Winter and Spring quarters respectively. We are asking for this 1503 to be effective Winter 2010 so that students may use either course to satisfy the 5 international core credits required by the Global Studies concentration.

Note: IAS has proposed new prefixes and numbers for many courses. In the proposed scheme, TSMIN 100 transforms to THIST 150 and TSMIN 101 to THIST 151.

OTHER DEPARTMENTS AFFECTED

List all departments/units/ or co-accredited programs affected by your new program or changes to your existing program and acquire the signature of the chair/director of each department/unit listed. Attach additional page(s) if necessary. *See online instructions.
