EXPLANATION OF AND RATIONALE FOR PROPOSED CHANGE

For new program, please include any relevant supporting documentation such as student learning outcomes, projected enrollments, letters of support and departmental handouts. (Use additional pages if necessary).

The School of Drama would like to add a minimum of 2 credits of Drama 466 as a required part of the Performance Option in the Drama major. Drama 466 teaches stage management and was formerly tied to Drama 351, 352 and 352 as a requirement, but due to a change in DARS it can non longer be formally enforced.

We believe that stage management, which combines all areas in the actual production of theatre, is a necessary part of a student's study in the performance option.

OTHER DEPARTMENTS AFFECTED

List all departments/units/ or co-accredited programs affected by your new program or changes to your existing program and acquire the signature of the chair/director of each department/unit listed. Attach additional page(s) if necessary. *See online instructions.
