EXPLANATION OF AND RATIONALE FOR PROPOSED CHANGE

For new program, please include any relevant supporting documentation such as student learning outcomes, projected enrollments, letters of support and departmental handouts. (Use additional pages if necessary).

Moving to approved list of electives for the major and minor to allow for more efficient additions and changes to courses that will satisfy the elective requirements.

Adding four courses to the list of electives for the major and minor: German 190, 195, 298, and 307.

Revising minimum GPA statement in order to clarify department policy. ~~Current statement dates back to 1960s when the major consisted of upper-division courses only, which is no longer the case. Also, current statement is out of sync with the DARS and how it tracks. The proposed statement corrects each issue and bring the policy up to date, where it should be.~~

OTHER DEPARTMENTS AFFECTED

List all departments/units/ or co-accredited programs affected by your new program or changes to your existing program and acquire the signature of the chair/director of each department/unit listed. Attach additional page(s) if necessary. *See online instructions.
