EXPLANATION OF AND RATIONALE FOR PROPOSED CHANGE

For new program, please include any relevant supporting documentation such as student learning outcomes, projected enrollments, letters of support and departmental handouts. (Use additional pages if necessary).

(1) The Jackson School has applied for a new system of course prefixes and numbers that will affect every course in its curriculum, to be effective in Autumn Quarter 2012. This application updates references to specific course numbers where they appear in the catalog requirements for the program named above. These catalog changes will be effective concurrent with the new course numbering scheme (Autumn 2012)

(2) In spring 2011 the Jackson School curriculum committee asked the five regional/area programs to add globally-focused coursework to their requirements where appropriate and desirable. Accordingly, the European Studies faculty voted to require that to one of the three major electives (requirement #4) be a globally focused International Studies course chosen from an approved list (see attachment).

OTHER DEPARTMENTS AFFECTED

List all departments/units/ or co-accredited programs affected by your new program or changes to your existing program and acquire the signature of the chair/director of each department/unit listed. Attach additional page(s) if necessary. *See online instructions.
