

OFFICE OF THE PRESIDENT

May 4, 2012

Vice Chancellor J.W. Harrington University of Washington, Tacoma Box 358430

Dear J.W.:

Based upon the recommendations of the Faculty Council on Academic Policy, the Faculty Assembly has recommended approval of the revised admission requirements for both the Bachelor of Arts degree and the Bachelor of Science degree in Computer Science and Systems. A copy of the change is attached.

I am writing to inform you that the Office of Academic Affairs is authorized to specify these requirements beginning autumn quarter 2012.

The new requirements should be incorporated in printed statements and in individual department websites as soon as possible. The *General Catalog* website will be updated accordingly by the Registrar's Office.

Sincerely yours,

Michael K. Young President

Subject: Revised Admissions Requirements for CSS degree

Zaide,

The 1503 I have is signed by the program chair, the Curriculum Committee Chair and the Vice Chancellor but not the chair of the Faculty Assembly. I will need to send this back to you for that signature.

Jennifer

CATALOG COPY		

Catalog Copy as currently written. Include only sections/paragraphs that would be changed if your request is approved. Please cross out or otherwise highlight any deletions.

# **Admission Requirements**

To qualify for admission to the Computer Science and Systems program, applicants must meet the following standards:

- Completion of a minimum of 40 college-level credits.
- Fulfillment of General University Requirements (see page 23).
- Cumulative GPA of at least a 2.0 in all college course work
- GPA of at least a 2.5 in all college math, science, computer science\*

#### PROPOSED CATALOG COPY

Reflecting requested changes (Include exact wording as you wish it to be shown in the printed catalog. Please underline or otherwise highlight any additions. If needed, attach a separate, expanded version of the changes that might appear in department publications). Please note: all copy will be edited to reflect uniform style in the General Catalog.

## **Admission Requirements**

To qualify for admission to the Computer Science and Systems program, applicants must meet the following standards:

## General:

- \* Fulfillment of General University Requirements.
- \* Cumulative GPA of at least a 2.0 in all college course work
- \* Cumulative GPA of at least a 2.5 in all college math, science, and computer science courses

## Math:

\* TMATH 120 (Pre-calculus) or equivalent

# Programming:

\* TCSS 142
