EXPLANATION OF AND RATIONALE FOR PROPOSED CHANGE

For new program, please include any relevant supporting documentation such as student learning outcomes, projected enrollments, letters of support and departmental handouts. *(Use additional pages if necessary).*

With the transition to a four-year institution Urban Studies has developed a number of 100- and 200-level courses for majors. The upper-division requirement of 65 credits was put in place when UWT enrolled only upper-division students. If left in place this requirement becomes problematic for students wishing to take lower-division courses that are of interest to them and appropriate to the major.

OTHER DEPARTMENTS AFFECTED

List all departments/units/ or co-accredited programs affected by your new program or changes to your existing program and acquire the signature of the chair/director of each department/unit listed. Attach additional page(s) if necessary. *See online instructions.
