Dear Jennifer,

Enclosed please find a 1503 form.  
I am including the course change application (ANTH 274 → ANTH 373) for your information, but that still needs to be reviewed by the curriculum committee in the department, and voted on by the faculty. So, it is here FYI only, and/but an official approved version should be coming your way in October.

Thanks,

Janelle

2. JUSTIFICATION and CONTACT INFORMATION

Explain why this change is being proposed, including its relationship to your overall curriculum and what comes before and after the course. Please list contact information for individual(s) submitting this application. (Attach additional sheet if necessary.)

After teaching this class once at the 200 level I have concluded that it is better suited to the 300 level, with students who will already have had some previous exposure to concepts and methods in anthropology. Student feedback on the course also suggests that the amount and level of readings assigned and the time and skills required to complete course assignments are more appropriate to an upper division class. I wish to change only the course number; the title, description, credit hours, and grading system remain unchanged.
