How to Log Into your IACUC Protocol Site

1. Log into the Microsoft 365 Login Page*
   a. Type in your **UW email** using [@uw.edu](mailto:@uw.edu) **(Note:** it has come to our attention that SharePoint does not recognize u.washington.edu as a valid UW email. Even if your email is NetID@u.washington.edu please enter it in as NetID@uw.edu to login successfully)
   b. You do not need to put in a password as you will be re-directed to a UW NetID login page when you go to sign-in
   c. Hit the “**enter**” key or click “**Sign in**”

2. Sign in the UW NetID Login page as you normally would.

3. You should now have access to the site. **(Note:** If you have a UW NetID but are not a UW student or UW Employee you will need to be endorsed by OAWRSS in order to access the site. Please email oawrss@uw.edu)

2. Sign in the UW NetID Login page as you normally would.
3. You should now have access to the site. (Note: If you have a UW NetID but are not a UW student or UW Employee you will need to be endorsed by OAWRSS in order to access the site. Please email oawrss@uw.edu)
