

**SAFS Undergraduate Research Funding Application**  
**(Due second Friday of each Quarter)**

**Biographical Information:**

Name: \_\_\_\_\_

Student Number: \_\_\_\_\_

Home telephone: \_\_\_\_\_

Class Standing:

\_\_\_ Freshman

\_\_\_ Sophomore

\_\_\_ Junior

\_\_\_ Senior

\_\_\_ Post-Bac

SAFS Major?      Yes      No

E-mail: \_\_\_\_\_

When did you declare the major? \_\_\_\_\_

COFS Honors?      Yes      No

This request is Independent Research as:

Fish 494-495 \_\_\_\_\_

Fish 499 \_\_\_\_\_

I am applying for Stipend

Supplies and Equipment

Poster Printing (Honors students only)

**Give the title of your research project:**

**Anticipated Timeline of Research (which quarters will funding be needed?)**

\_\_\_\_\_

**Faculty Sponsor:** \_\_\_\_\_

**Faculty email:** \_\_\_\_\_

**Student Scholastic performance:**

Undergraduate UW GPA \_\_\_\_\_

    Number of UW Credits \_\_\_\_\_

Undergraduate Transfer GPA (if applicable) \_\_\_\_\_

    Number of Transfer Credits \_\_\_\_\_

When do you expect to graduate? \_\_\_\_\_

List any awards, fellowships, or scholarships received at UW:

**Indicate your connections or general area of interest and/or research. These categories indicate areas in which endowment funding is directed, so check any (up to 3) that apply to help us identify appropriate endowments:**

- |   |  |   |
|---|--|---|
| Aquaculture                             | Conservation of Puget Sound salmon               | Quantitative sciences                       |
| Bering Sea and Gulf of Alaska fisheries | Family connection to commercial fishing industry | Sport fishery management in Lake Washington |
| Bivalve fisheries                       | Fish "Breeding"                                  | Alaska Salmon Research                      |
| Collection-based research               | Fish Nutrition                                   | Other:                                      |
| Conservation of North Pacific fisheries | Marine invertebrates                             |   |

Have you ever received SAFS Research Grant Funding as an undergraduate student? If so, list years and amounts:

**Remember to submit six packets that include:**

- Application
- Unofficial transcript
- Proposal
- Budget Outline

As well as make sure that your faculty sponsor has submitted the letter of support for the project.

Generally, students will not know if they are presenting until later in the project. Those students may submit an additional request at that time. If requesting transportation, please include the following:

Conference/meeting title:

Date(s):

Location:

Mode of Travel needed and estimate of cost (if mileage, include mileage estimate):

**Certification and Authorization:**

I declare that the information on this form is true, correct, and complete to the best of my knowledge. The University of Washington has my permission to verify the information provided.
