

SHELTER

Objectives:

1. The student will demonstrate ability to orally repeat and use in sentences and dialogue, the Mámachat words for various kinds of shelters that people use today and Indian people used long ago.
2. The student, shown a picture, or action, or object representing the Mámachat words for different kinds of shelters used today and in the past, will demonstrate knowledge of the meaning of the words through written or oral interpretation, or action.

Materials Needed:

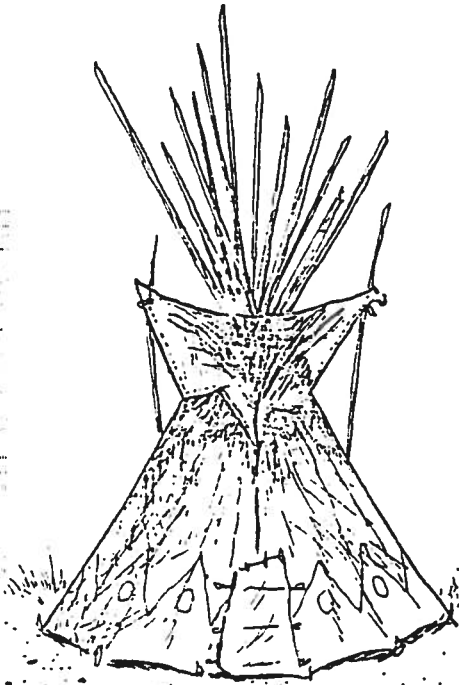

Picture dictionary
 Pictures from magazines, books to use to
 build replicas of different kinds of
 shelters used by people
