*"Empowering tomorrow's
audiologists today."*

**UNIVERSITY OF WASHINGTON
CHAPTER**

WHAT IS NAFDA?

NAFDA is the National Association of Future Doctors of Audiology, which is a professional student organization dedicated to the advancement of education and technological training in the profession of audiology with emphasis in enhanced patient care. The organization takes pride in being of, by, and for individuals dedicated to promoting audiology as a doctoral level profession. NAFDA is an organization that supports the efforts of those before us, who have endured the pressures of change, and in triumph, moved audiology to a doctoring profession.

Visit WWW.NAFDA.ORG

Who can join?

Graduate level audiology students (PhD and AuD) are eligible to join NAFDA. Memberships are offered both on the national and local level. Professional memberships are also available for Alumni and distance learning students.

Pick up a NAFDA application form from your local chapter and join today!

Local Membership	\$10
National Membership (includes local membership)	\$27

Please make check payable to :
NAFDA UW Chapter

Why join?

NAFDA is currently the only organization in the area of audiology restricted to future clinical audiologist pursuing AuDs, or professionals with AuDs, as members. Currently, no other organization in audiology requires their members to have an AuD or to be in pursuit of an AuD. By joining NAFDA you are substantiating the future of the profession and the unification of audiology under one degree. The strength of this solidarity is what will enable audiology to project a legitimate claim for direct access, limited licensed practitioner status, and autonomy.

Local leadership

President – Keri O’Connell
Vice President – Beth Kershner
Treasurer – Stacey Beaudoin
Membership – Robin Waterman
Secretary – Michelle Quinn

Membership benefits

SCHOLARSHIP OPPORTUNITIES

Members can write articles to win NAFDA sponsored scholarships, sponsored by Audiology Online.

RESEARCH OPPORTUNITIES

Students can present research at the NAFDA annual conventions. Student research papers can be published on nafda.org, the NAFDA minute, or the new NAFDA-J, a peer reviewed professional journal for AuD and PhD students.

LEADERSHIP OPPORTUNITIES

Become a national board member and make a difference in our field, or become a leader on the local level.

SERVICE OPPORTUNITIES

Join in service and philanthropy through local NAFDA activities or on a larger scale with NAFDA international humanitarian trips.

NETWORKING

Post your resume on the NAFDA website, find the ideal externship, participate in the ADA student mentoring program, and join with over 20 other schools with NAFDA chapters through the NAFDA National Convention.

PUBLICATIONS

Both national and local NAFDA members can enjoy the NAFDA news and monthly NAFDA minute updates. Also, the NAFDA-J is available to national members.
