Directions to I-90 at 35th Ave S (Mt Baker Tunnel): From I-5 southbound, take the Dearborn Street exit. Turn left at the stoplight and go about half a mile to the stoplight at Rainier Avenue S. Turn left on Rainier Ave S, then turn right after a few blocks onto Jackson St. Follow Jackson until it ends, and turn right on 31st Avenue South. After a couple blocks turn left on Lane Street, then right on 33rd Avenue South, then left again on Charles Street. Turn right on Lake Washington Blvd, and then left on Irving Street, just before the little park and bike path on the tunnel lid. Go downhill for a block and find a place to park where Irving ends at 35th Avenue S. Walk down the first set of stairs then go to the right through the shrubbery and set your chairs up alongside the Reversible Lanes.
