# Reordering pages on your navigation

1. Click on **More Actions > Manage Site**

2. Under 'Site Appearance' click on **Site Layout**

3. Click on **Edit** on the navigation box

4. Uncheck 'Automatically organize my navigation'

5. Click on **Add Page**, and you will see a list of the pages you have on your site

6. Click on the page that you want to add to your navigation, then click **OK**. You can't choose multiple pages at once, so you have to add the pages individually

7. Once you have added your pages, you can continue to reorder them by selecting a page and click on the up/down/left/right arrow buttons to arrange your pages

8. Click **OK**

9. Click **Save Changes**
