

Upload to YouTube, tag your video, and find your video URL

1. Go to <http://www.youtube.com>
2. Log in.
3. Click on the Upload button on the top right of the page or simply go to http://www.youtube.com/my_videos_upload
4. Click on **Upload Video** button to browse your computer and select the video you would like to upload.

The screenshot shows the YouTube 'Video File Upload' page in a Mozilla Firefox browser window. The browser's address bar shows the URL http://www.youtube.com/my_videos_upload. The page features a search bar, navigation links for Home, Videos, Channels, and Shows, and a user profile for 'uwtrio'. The main content area is titled 'Video File Upload' and includes a prominent 'Upload Video' button. Below this, there are 'AutoShare Options' and a list of connected services including Google Reader, Facebook, and Twitter. A section titled 'About Uploading' provides details on video specifications and offers links for help and bulk uploads. On the right side, there is a yellow warning box about copyright and an advertisement for Progressive Direct insurance featuring a woman and a table of rates.

5. You can edit title, description, and tags. Make sure that your video remains shared – do not set it to private; and be sure to tag your video entry with 'uwtriolive2' so that it will be eligible for People's Choice Awards. Once you are finished, click on **Save Changes**.

6. Go to http://www.youtube.com/my_videos and click **Edit** for the video you just uploaded.
7. Go to your video page (which you can access from http://www.youtube.com/my_videos and then click on the **Play** button for your chosen video) and you will be able to find your video URL on the address bar and on the right sidebar. This is the address to link to your video. Copy and paste this URL on the form where you submit your video.
