2012 TRIO Quest Activities

- DIGIMEDIA** (View Media Quest)

An activity for ALL TRIO students that involves creating original short video productions that are uploaded to the web. DigiMedia teaches students how to use multimedia for creative purposes, to present information, and/or to support the presentation of research.
- DIGISITES** (View DigiSite Quest)

An educational web content competition for ALL TRIO students. Students work individually or collaboratively in teams to create high quality, innovative and content-rich educational Web sites that meet high standards of intellectual honesty.
- DIGITEXT** (View DigiText Quest)

A short, single, creative activity for ALL TRIO students that introduces students to the competing in interaction possible between text and images and encourages research, reflection, and creative expression.

Previous TRIO Quest Activities

1 Registration

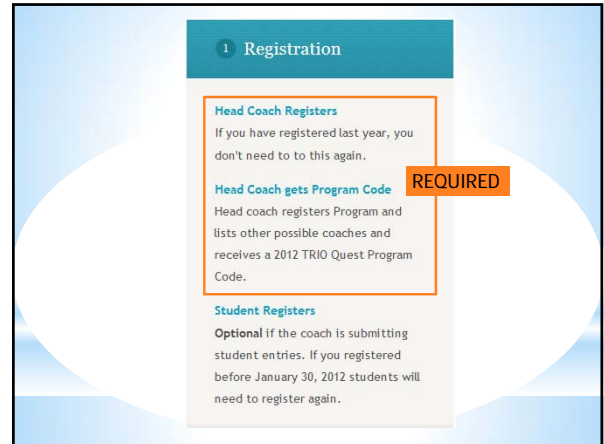

Head Coach Registers
If you have registered last year, you don't need to do this again.

Head Coach gets Program Code
Head coach registers Program and lists other possible coaches and receives a 2012 TRIO Quest Program Code.

Student Registers
Optional if the coach is submitting student entries. If student registered before January 30, 2012 he/she will need to register again.

2 Request

Entry Accounts requests
Using a valid TRIO Quest program code, coaches may request multiple accounts while registered students can only request one account for each activity. It may take up to 3 business days to fulfill requests.

TRIO Quest 2012 Entry Account Request Form

Logged in via CAS as spdayor@yahoo.com.

Submitted by Trio Admin on Wed, 01/04/2012 - 11:35

Coaches please use this form to request entry accounts for your program for each TRIO Quest activity below. Enter your TRIO Quest program code and the number of each type of entry account your program needs.
Entry Accounts may only be used for the activity specified when the account is created.

Note that you should request one account for each entry, not for each student. We need to allocate resources for each account, so please only request the number of accounts that you need. You may request additional accounts at any time.

Please plan ahead as it may take up to 3 business days to fulfill requests.

Program Code: *

Number of DigiMedia accounts needed (one account per individual/team entry, NOT one account per student): *

Number of DigiSites accounts needed (one account per individual/team entry, NOT one account per student): *

Number of DigiText accounts needed (one account per individual/team entry, NOT one account per student): *

Student DigiText Entry Account Request Form

View

Submitted by Trio Admin on Thu, 01/26/2012 - 17:59

Students should use this form to request an account for their DigiText entry. Note that you will need a valid TRIO Quest program code from your coach or instructor.

Note that you may only request one DigiText account and this account can only be used for a DigiText entry. If you wish to participate in the other TQ activities, you will need to request separate accounts.

Please plan ahead as it may take up to 3 business days to fulfill requests.
