

# DigiMedia IN DETAIL

## Getting Started

To get the most out of today's webinar, you might want to set up your computer so you can ask questions:

- Connect a headset or microphone to the mic jack on your computer
- Go to the **Meeting** menu and choose **Audio Setup Wizard**
- Follow the instructions on the screen
- If you get a window asking for access to your microphone, **Allow** it
- When you want to ask a question, **Raise Your Hand** by clicking on the icon
- When we call on you, click on **Speak Now** in the window that appears
- Join in the conversation!
