

TRIO Quest 2012

Creating a DigiMedia Entry

1. <http://uwtrio.org>
2. Click TRIO Quest

3. Click the TQ activity you want to Create (e.g., DigiMedia, or DigiSites, or DigiText)

2012 TRIO Quest Activities

An activity for ALL TRIO students that involves creating original short video productions that are uploaded to the web. DigiMedia teaches students how to use multimedia for creative purposes, to present information, and/or to support the presentation of research.

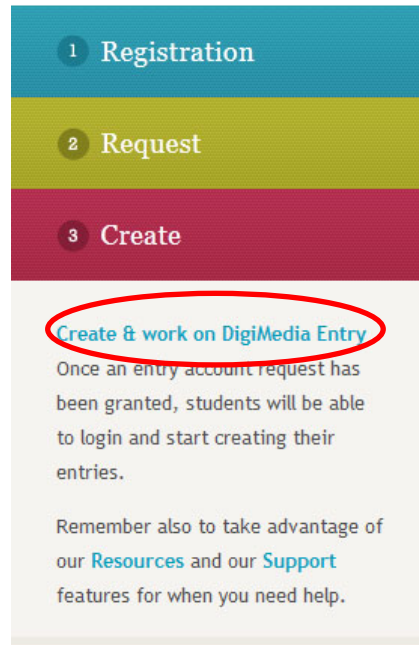

DIGISITES
(Like TRIO Sites and TRIO ThinkQuest)
An educational web content competition for ALL TRIO students. Students work individually or collaboratively in teams to create high quality, innovative and content-rich educational Web sites that meet high standards of intellectual honesty.

DIGITEXT
(Like PhotoEssay)
A short, simple, creative activity for ALL TRIO students that introduces students to the compelling interaction possible between text and images and encourages research, reflection, and creative expression.

4. Click "Create & work on [Digi...] Entry"

5. **Login using your Account Entry and password given to you by your coach/instructor.**
NOTE: you must use the TQ Account entry and password to get to the correct TQ pages.

6. Click Create An Entry (all TQ activity pages are consistent with these choices)

DigiMedia

DigiMedia is a multimedia activity for ALL TRIO students in which students create and post their own individual or team video projects. [See full overview »](#)

<GUIDE>

In the space provided above, please:

- state in your video's purpose, intended audience, and compelling impact objectives
- describe how you and your team embraced/tackled challenges, what you learned from any difficulties during the process, and how you might approach future projects based on what you have learned
- For **required pre-planning materials** such as storyboard, you can either use your own storyboard templates or the template we've provided on the bottom of this page.
- Please remember to upload your FINAL STORYBOARD through the attachments on the bottom of this page.

Feel free to delete this guide prior to submitting your entry.

12. Follow the template instructions to complete your activity.
(NOTE: see specific instructions, rubrics, and rules for each TQ activity.)

TRIO Quest 2012

Creating a DigiSites Entry

1. <http://uwtrio.org>
2. Click TRIO Quest

3. Click the TQ activity you want to Create (e.g., DigiMedia, or DigiSites, or DigiText)

2012 TRIO Quest Activities

DIGIMEDIA (Like Media Quest)

An activity for ALL TRIO students that involves creating original short video productions that are uploaded to the web. DigiMedia teaches students how to use multimedia for creative purposes, to present information, and to support the presentation of research.

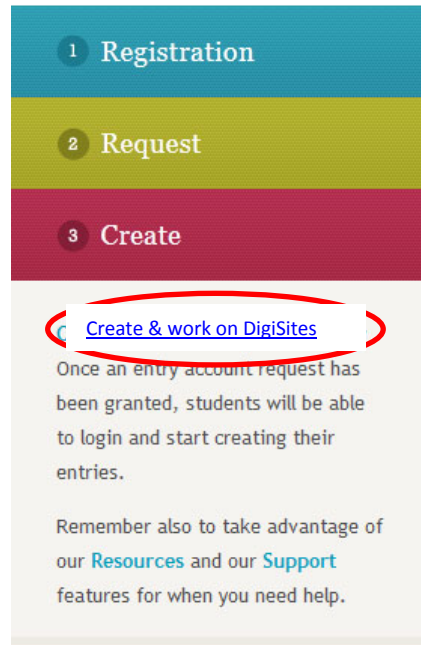

DIGISITES (Like TRIO Sites and TRIO ThinkQuest)

An educational web content competition for ALL TRIO students. Students work individually or collaboratively in teams to create high quality, innovative and content-rich educational Web sites that meet high standards of intellectual honesty.

DIGITEXT (Like PhotoEssay)

A short, simple, creative activity for ALL TRIO students that introduces students to the compelling interaction possible between text and images and encourages research, reflection, and creative expression.

4. Click "Create & work on [Digi...] Entry

5. **Login using your Account Entry and password given to you by your coach/instructor.**
NOTE: you must use the TQ Account entry and password to get to the correct TQ pages.

The login form has a light green background. It contains two input fields: 'Username:' and 'Password:'. The username field has a placeholder '@trioquest.org'. Below the password field is a checkbox labeled 'Stay signed in'. At the bottom is a 'Sign in' button.

6. Click Create An Entry (all TQ activity pages are consistent with these choices)

The screenshot shows the DigiSites homepage. On the left is a logo with a globe and a laptop. The main heading is 'DigiSites'. Below it is a paragraph: 'DigiSites is a activity for ALL TRIO students to introduce them to the challenges of conducting and expressing solid academic research on the web. [See full overview >](#)'. Below this paragraph, the link 'CREATE AN ENTRY' is circled in red. Other links include 'WORK ON EXISTING ENTRY' and 'SUBMIT AN ENTRY'. Below 'SUBMIT AN ENTRY' is the text 'Deadline: August 10, 2011, 8PM PDT'. On the right side, there are two columns: 'DigiSites Guidelines' and 'DigiSites Resources', each with a list of links.
