

HUELGA EN GENERAL

Hasta Mexico la llegado
la noticia muy alegra
que Delano es diferente
Pues el pueblo ya esta en contra
los rancheros y engreidos
que a cababen con la gente
Y como somos hermanos
la alegría compartimos
con todos los campesinos.

Viva la revolucion!)
viva nuestra asociacion) #1
Viva huelga en general!)

El dia 8 de septiembre
de los campos de Delano
salieron los Filipinos
Y despues de dos semanas
para unirse a la batalla
salieron los Mexicanos.
Y juntos vamos cumpliendo
con la marcha de la historia
Para liberar el pueblo

(#1)

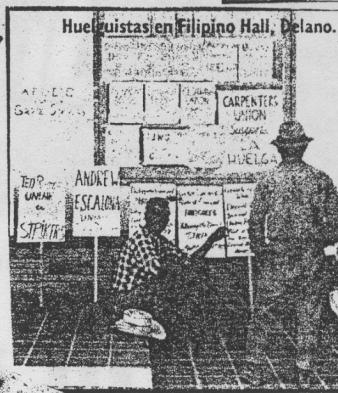

Today, September 16, 2001 we honor all
the Men and Women who were so brave
and strong in their quest for justice in
the Grape Strike of 1965 in Delano.

To them we say Gracias! Mabuhay
and God Bless You.

"The strike was
begun by the Filipinos,
but it is not exclusively
for them." I said.
"Tonight we must
decide if we are to join
our fellow workers in
this great labor struggle."

Cesar Chavez,
J. Terry

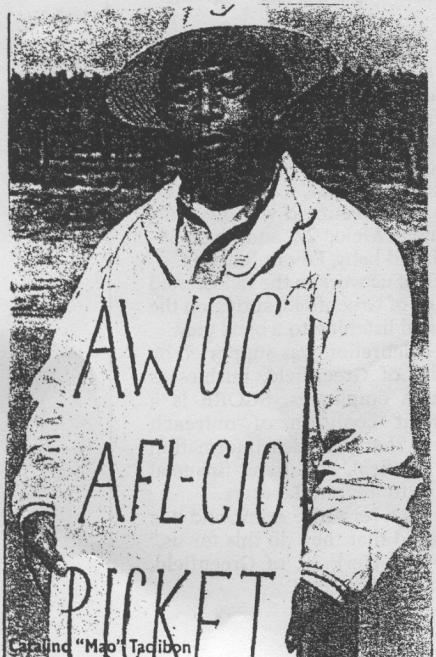

HUELGAS!

"The workers who spoke were eloquent because they spoke from the heart, and they spoke the truth. When the strike vote was taken, it was obvious we would have a general strike. Everyone was for it.

Then everybody signed authorization cards saying they wanted NFWA to represent them. When we counted them a couple of days after the meeting we had twenty seven hundred. Of course, not all were signed at the meeting, but more than half must have been signed there."

Cesar Chavez - J. Terry
