

Curriculum Vitae
JOHN NEWTON KRIEGER
VA Puget Sound Health Care System
1660 South Columbian Way (112-GU)
Seattle, WA 98108-1597

Personal Data

Born: Philadelphia, Pennsylvania May 3, 1948
Married: Monica R. Schoelch July 22, 1972

Education

1966-1970 AB Princeton University (Biochemistry)
1970-1974 MD Cornell University Medical College

Postgraduate Training

1974-1976 Assistant Surgeon, The New York Hospital-Cornell Medical Center
1975-1976 Post-Doctoral Fellow in Microbiology, Cornell University Medical College
1976-1979 Assistant Surgeon (Urology), The New York Hospital-Cornell Medical Center
1979-1980 Surgeon (Urology), The New York Hospital-Cornell Medical Center
1980-1982 Research Fellow (Infectious Diseases), University of Virginia School of Medicine

Academic Positions

1979-1980 Instructor in Surgery (Urology), Cornell University Medical College
1980-1982 Instructor in Urology, University of Virginia School of Medicine
1982-1986 Assistant Professor of Urology, University of Washington School of Medicine
1986-1990 Associate Professor of Urology, University of Washington School of Medicine
1990- Professor of Urology, University of Washington School of Medicine

Hospital Positions

1980-1982 Attending Surgeon, Department of Urology, University of Virginia Hospital, Charlottesville, Virginia
1982- Attending Surgeon, Department of Urology, University of Washington Medical Center, Seattle, Washington
1982- Attending Surgeon, Department of Urology, Harborview Medical Center, Seattle, Washington
1982- Attending Surgeon, Division of Urology, Children's Hospital and Medical Center, Seattle, Washington
1982- Consultant, Division of Urology, Veterans Administration Hospital, Seattle, Washington
1998- Chief, Division of Urology, Puget Sound Veterans Administration Hospitals

Honors

- 1970 Sigma XI
- 1974 Clarence C. Coryell Prize, Cornell University Medical College
- 1977 First Prize for Clinical Research, F.C. Valentine Residents' Essay Contest
- 1980-82 American Urological Association Scholar
- 1998 Julian S. Ansell Teaching Award
University of Washington
- 2001 Masaaki Ohkoshi Award, International Society of Chemotherapy,
Commission for Urinary Tract Infections, for Best worldwide paper on UTI,
Amsterdam, Netherlands
- 2005 Society of Infection and Inflammation in Urology
President
- 2006 Journal of Urology
Best reviewer award

Board Certification

- 1975 National Board of Medical Examiners No. 139571
- 1982 American Board of Urology No. 7831

Licensure to Practice

- 1975 New York State No. 124122
- 1980 Commonwealth of Virginia No. 11-032034
- 1982 Washington State No. 252-09-0019873

Organizations

- American College of Surgeons
- American Federation for Clinical Research
- American Medical Association
- American Society for Microbiology
- American Society of Clinical Urologists
- American Venereal Disease Association
- Infectious Diseases Society of America
- International Society D'Urologie
- King County Medical Society
- National Kidney Foundation
- Northwest Urological Society
- Seattle Surgical Society
- Society for Infection and Inflammation in Urology

Society for Sigma XI
Society of University Urologists
Washington State Medical Society
Washington State Urology Society
Western Section, American Urological Association

Special National Responsibilities

- 1985-2007 Editorial Board, **Sexually Transmitted Diseases**
- 1986-87 Advisory Board on Urinary Tract Infections, **National Kidney Foundation**
- 1987 Special Review Committee for Research on the Urinary Tract, **National Institute of Diabetes, Digestive and Kidney Diseases, National Institutes of Health**
- 1987- Ad Hoc Committee To Study and Develop Recommendations for AUA Policy on AIDS and Sexually Transmitted Diseases **American Urological Association**
- 1988- Urology Specialist Site Visitor Residency Review Committee for Urology, **Accreditation Council for Graduate Medical Education**
- 1988- Consultant on Genitourinary Tract Infections, **National Kidney and Urologic Diseases Advisory Board Department of Health and Human Services**
- 1988- Diagnostic and Therapeutic Technology Assessment Expert Panel, **American Medical Association**
- 1988- Consultant on Sexually Transmitted Diseases Treatment Guidelines, **Centers for Disease Control Division of Sexually Transmitted Diseases Center for Prevention Services**
- 1989- Council on Stones and Infections, **National Kidney Foundation**
- 1989 Joint Committee on Practice with American College of Obstetrics and Gynecology, **American Urological Association**
- 1989 Grant Workshop Pannelist, **National Institute of Diabetes, Digestive and Kidney Diseases National Institutes of Health**
- 1990 Special Review Committee for Small Business Research Grants on the Urinary Tract Devices, **National Institute of Diabetes and Digestive and Kidney Diseases National Institutes of Health**
- 1990-93 Postgraduate Course Chairman Sexually Transmitted Diseases, **American Urological Association**
- 1990-95 Associate Editor, **Seminars in Urology**

- 1992 Chairman, Special Review Committee for Interstitial Cystitis, **National Institute of Diabetes, Digestive and Kidney Diseases National Institutes of Health**
- 1992-97 Publications Committee, **American Urological Association**
- 1992- Team Leader and Abstract Reviewer on Infections, **American Urological Association Meeting**
- 1994- Postgraduate Course Complicated Urinary Tract Infections, **American Urological Association**
- 1994 Chairman, Special Review Committee for Interstitial Cystitis and Other Bladder Disorders in Women, **National Institute of Diabetes, Digestive and Kidney Diseases National Institutes of Health**
- 1994 Chairman, Special Review Committee for Medical Therapy in BPH: Full-Scale Clinical Trial, **National Institute of Diabetes, Digestive and Kidney Diseases National Institutes of Health**
- 1995- Contributing Editor, **YearBook of Urology**
- 1995 Workshop Leader: Research and Clinical Definitions Workshop on Chronic Prostatitis, **Urology Program, National Institute of Diabetes, Digestive and Kidney Diseases National Institutes of Health**
- 1996 Chair, HIV in Semen: Research Issues Workshop, **Urology Program, National Institute of Diabetes, Digestive and Kidney Diseases National Institutes of Health**
- 1996- Postgraduate Course Urinary Tract Infections and Prostatitis, **American Urological Association**
- 1996-97 **AIDS Clinical Trials Group:** Genital Secretions Focus Group
- 1997 Consensus Development Conference on External Genital Warts, **American Medical Association**
- 1997 American Urological Association representative, Consensus Conference for STD Treatment Guidelines, **Public Health Service, Centers for Disease Control**
- 1997 Special Emphasis Panel, Review Committee, **National Institute of Diabetes, Digestive and Kidney Diseases National Institutes of Health**
- 1997 Moderator, Workshop on HIV in genital secretions: Implications for pathogenesis, transmission and vaccine development. **Division of AIDS, National Institute of Allergy and Infectious Diseases, and NIH AIDS Research Reference Reagent Program**
- 1997-2006 Editorial Board **Journal of Urology** (Investigative Section)

- 1997-2005 Prostate Health Council
American Foundation for Urological Diseases
- 1997-2002 Chairman, External Advisory Committee
Chronic Prostatitis Collaborative Clinical Research Group
National Institute of Diabetes, Digestive and Kidney Diseases National Institutes of Health
- 1998- Genitourinary Tract Infections, AUA Postgraduate Course
American Urological Association
- 1998- International Prostatitis Collaborative Network
National Institute of Diabetes, Digestive and Kidney Diseases, National Institutes of Health
1st meeting: 12/7–8/95, Workshop on Chronic Prostatitis
2nd meeting: 11/5–6/98: Chronic Prostatitis Treatment Strategies workshop
3rd meeting: 4/17/2000: External Advisory Committee
- 1999–present Course Director, **AUA Office of Education Annual Meeting Course Program**
Course title (recent): UTI's: Answers to critical clinical questions.
- 2000 Panel Member: Scientific Evidence on Condom Effectiveness for STD Prevention,
National Institute of Allergy and Infectious Diseases
June 12–14, 2000
- 2001- Faculty Member: Advances in the Diagnosis and Treatment of Prostatitis: Conference and Interim Report of the Chronic Prostatitis Research Network, **National Institute of Diabetes, Digestive and Kidney Diseases National Institutes of Health**, Bethesda, Maryland, March 26–26, 2002
- 2001- Editorial Board Member, **Urologia Internationalis**, S. Karger Ag. Basel, Medical & Scientific Publishers, Basel, Switzerland.
- 2001-2007 Editorial Board Member, **Urological Research, Journal of Clinical and Laboratory Investigation**, Springer-Verlag, Heidelberg.
- 2002 Faculty Member, Scientific Roundtable: Managing Acute Uncomplicated Cystitis in Women in the Era of Antibiotic Resistance. **Office of Women's Health of the US Dept of Health and Human Services and the American Medical Association**, August 2, 2002, Seattle, Washington.
- 2003 Faculty Member, **American Urological Association**, Benign Prostatic Hypertrophy 2003 Update, January 8-11, 2003, Keystone, Colorado.
- 2003- Member, Board of Consultants, **Korean Association of Urogenital Tract Infection**
- 2005 Invited Participant, **AUA Education Strategic Planning Retreat**, February 26-27, 2005, Linthicum, Maryland.

- 2005-2009 Member, Prize Essay Committee, **American Urological Association.**
- 2006-2007 Member (Rep for Society for Infection and Inflammation in Urology), Annual Meeting Program Planning Committee, **American Urological Association.**

Special Local Responsibilities

- 1982- HuBio 562 Course Committee (The Urinary System), University of Washington School of Medicine
- 1982- Infection Control Committee, University Hospital
- 1983-87 Scientific Affairs Committee, University of Washington School of Medicine
- 1983-1994 Vice Chairman, HuBio 562 Course Committee, University of Washington School of Medicine
- 1985-87 Faculty Senate, University of Washington
- 1986- Supervisory Committee for Animal Experimentation, Department of Urology
- 1987-90 Director Outpatient Clinic, Department of Urology, University Hospital
- 1987- Interdisciplinary Committee on Molecular and Immunological Parasitology (Microbiology 599) University of Washington School of Medicine
- 1987-1990 Ambulatory Care Advisory Committee, University Hospital
- 1988-1992 Board of Directors, National Kidney Foundation of Washington
- 1988- AIDS Advisory Committee, Subcommittee on Operating Room Policies and Procedures, University of Washington
- 1988- Graduate Supervisory Committees for Students in Departments: of Epidemiology, Biostatistics, Physiological Nursing, and Pathobiology
- 1992-96 Credentials Committee University of Washington Medical Center
- 1996-97 University of Washington Faculty Council on Academic Standards
2001. Faculty for University of Washington Health Sciences course “Clinical Urology for Primary Care,” November 9, 2001.

Extramural Funding

National Institutes of Health Grant Support

SO7 RR 05432	Biomedical Research Support Grant
	P.I.: D. Morris
	\$45,880.00 (7/15/82-3/31/85)

POI AI 12192	STD Research Program Grant P.I.: W.E.Stamm \$133,258.00 (7/1/83-6/30/88)
R23 AI 21422	Pathogenesis and Differentiation of <i>T.vaginalis</i> strains P.I.: J.N. Krieger \$145,242.00 (3/1/85-2/29/88)
RO1 DK38955	Urological Studies of Idiopathic Lower Tract Syndromes P.I.: J.N. Krieger \$674,750.00 (8/1/87-7/30/92)
RO1 D9407747	Genitourinary Tract Sites and Consequences of HIV Infection P.I.: J.N. Krieger \$1,458,377.00 (10/1/88-9/30/93)
RO1 DK40940	Vasectomy and Urolithiasis P.I's : J.N. Krieger, R. Kronmal \$457,837.00 (12/1/88-11/30/93)
RO3 TW00204	Fogarty International Research Collaboration (with I. Nikolaeva, Institute of Immunology, Russia) PI: J.N. Krieger \$23,450.00 (10/1/92-9/30/95)
RO1 DK38955	Urological Studies of Idiopathic Lower Tract Syndromes- Competitive Renewal P.I.: J.N. Krieger \$1,196,572.00 (9/1/93-8/30/97)
RO1 AI35605	CMIG for AIDS Vaccine PI: M.J. McElrath \$764,785.00 (11/1/93-10/31/97)
RO1 DK/AI49477	HIV Shedding in Semen: Causes and GU Tract Consequences P.I.: J.N. Krieger \$1,255,900.00 (10/1/94-9/30/98)
RO1 DK38955	Urological Studies of Idiopathic Lower Tract Syndromes- Competitive Renewal P.I.: J.N. Krieger \$1,702,491 (9/1/97-8/30/01)
T32 AI07140	STD/AIDS Research Training Grant (7/1/88-6/30/98) P.I.: K.K. Holmes \$1,921,580.00 (7/1/93-6/30/03)
IT32DK07721	Clinical Research Training in Renal Disease PI: D.J. Sherrard

- \$968,552.00 (7/1/94-6/30/04)
- 1 T32 DK07779-01 Basic Sciences Training in Urology
PI: P.H. Lange
\$88,625 first year (9/30/99-6/30/2004)
- T 32 DK07721 Clinical Research Training in Renal Disease
PI: D.J. Sherrard
\$699,554 (9/1/99-8/31/2004)
- 1 RO1 DK/AI57810-01 Male Genital Tract Reservoirs and Viral Shedding
PI: J.N. Krieger
\$1,417,500 (\$225,000 annually, 7/1/00 – 6/30/05)
- 1-376000511-A5 A Randomized Controlled Trial of Male Circumcision to Reduce HIV Incidence in Kenya
PI: R.C. Bailey
\$3,950,739 (8/1/01-7/31/06)
- 1 UO1 DK065266-01 UW/USM Chronic Prostatitis Clinical Research Consortium
PI: J.N. Krieger
\$1,250,000 (09/11/03-6/30/08)
- UW/FHCRC Center for AIDS Research
PI: K.K. Holmes
(03/01/03 – 02/29/08)

Department of Veterans Affairs Medical Research Service

- Merit Review Grant Bacterial DNA in Prostate Disease
P.I.: D.E. Riley
\$409,000 (10/1/2000-9/30/2004)

Other Research Grants (Totaling over \$700,000)

E. Lilly	Abbott Laboratories
Merck, Sharp, and Dohme	Bayer AG
E.R. Squibb	Matrix Pharmaceuticals
Norwich-Eaton	Searle
Appleton and Lange	Pharmacia
Glaxo Wellcome	Bayer Pharmaceuticals

MANUSCRIPTS SUBMITTED

1. Krieger JN, Ross SO, Limaye A, Riley DE. Natural history of Gram positive bacteria 'localized' to 'prostate-specific' specimens from patients with chronic prostatitis. Submitted to **Journal of Urology**, July 2004.
2. Krieger JN, Bailey RC, Opeya J, Ayieko B, Opiyo F, Agot K, Parker C, Ndinya-Achola JO, Moses S: Adult male circumcision: Results of a standardized procedure in Kisumu District, Kenya. Submitted to **Urology**, May 2004.
3. Riley DE and Krieger JN: Short tandem repeats (STSs) in UTRs and introns suggest a potential role for certain STRs in gene expression and disease. Submitted in May 2004 to **Gene**.
4. Riley DE and Krieger JN: Short tandem repeats (STRs) may be an important source of species differences. Submitted in 2004 to **Journal of Molecular Evolution**.

5. Riley DE and Krieger JK. Short tandem repeat evolution includes precise, DNA sequence remodeling events that generate genomic differences among species. Submitted 2005 to **Bioessays**.
6. Lee SWH, Cheah PY, Liong ML, Yuen KH, Schaeffer AJ, Propert K, Krieger JN, the Northern Malaysia Prostatitis Study Group, and the NIH Chronic Prostatitis Collaborative Research Network. Comparison of demographic and clinical characteristics of the Malaysian and National Institutes of Health Chronic Prostatitis cohort. Submitted in 2006 to **Journal of Urology**.
7. Krieger JN, Bailey RC, Opeya JC, Ayieko BO, Opiyo FA, Omondi D, Agot K, Parker C, Ndinya-Achola JO, and Moses. Adult male circumcision outcomes: Experience in a developing country setting. Submitted in 2006 to **British Medical Journal**.
8. Diem K, Nickle DC, Motoshige A, Fox A, Deutsch L, Mullins JI, Corey L, Coombs RW, Krieger JN. Male genital tract compartmentalization of Human Immunodeficiency Virus Type 1 (HIV). Submitted in Jan. 2006 to **Journal of Virology**.
9. Swartz MA, Morgan TM, Krieger JN. Wound infection and other complications after scrotal surgery. Submitted 2006 to **Journal of Urology**.
10. Riley DE, Krieger JN. Some short tandem repeats represent foci for constrained remodeling events important in understanding genomic differences among species. Submitted 2006 to **Genomics**.
11. Riley DE, Krieger JN. Genome evolution incorporates short tandem repeat insertions near ancestral repeats. Submitted in 2006 to **Mammalian Genome**.
12. Lee SWH, Liong ML, Yuen KH, Leong WS, Chee C, Cheah PY, Choong WP, Wu Y, Khan N, Choong WL, Yap HW, Krieger JN. Double-blind randomized comparison of acupuncture to sham acupuncture for chronic prostatitis/chronic pelvic pain syndrome. Submitted Feb. 2006 to **The Lancet**.
13. Riley DE and Krieger JN. Some common non-coding genomic sequences were selected for their secondary structure potential. Submitted to **Nature**, 2005.
14. Krieger JN, Bailey RC, Opeya JC, Ayieko BO, Opiyo FA, Omondi D, Agot K, Parker C, Ndinya-Achola JO, and Moses S. Adult male circumcision outcomes: Experience in a developing country setting. Submitted to **World Journal of Urology**, May 2006.
15. Rashid HH, Kowalewski T, Oppenheimer P, Ooms A, Krieger JN. The virtual reality TURP trainer: Evaluation of discriminate validity. Submitted to **Journal of Urology**, 2006.

Abstracts & Presentations

1. Krieger JN, Scherer WF, Pancake BA and Harsanyl ZP: Virulence patterns of temperature-sensitive mutants of Venezuelan encephalitis virus. Joint Meeting of the American Society of Tropical Medicine and Hygiene, and the Royal Society of Tropical Medicine and Hygiene, Philadelphia, November 1976.

2. Harsanyi ZP, Scherer WF, Pancake BA and Krieger JN: Isolation and characterization of T.S. mutants of Venezuelan encephalitis virus. Walter Reed Institute of Army Research Workshop on Togavirus Replication. Washington, D.C., April 1976.
3. Krieger JN, Hilgartner MW and Redo SF: Surgery in patients with congenital disorders of blood coagulation. *Selected Readings in General Surgery* 47: 40, 1977.
4. Sniderman KW, Sos TA, Seligson GR and Krieger JN: Calcified renal cell carcinoma: A biologically distinct subgroup of renal parenchymal tumors. The American Roentgen Ray Society. Toronto, March 1979.
5. Brem AS, Krieger JN and Kaplan MR: Urinary tract infections (U.T.I.) in pediatric renal allograft recipients. *Pediatric Research* 13: 510, 1979.
6. Krieger JN, Stubenbord WT and Vaughan Jr. ED: Transplantation in children with end-stage renal disease of urologic origin. American Society of Nephrology. Boston, November 1979.
7. Krieger JN and Rein MF: Zinc-sensitivity of *Trichomonas vaginalis*. 21st Interscience and Conference on Antimicrobial Agents and Chemotherapy. Chicago, November 1981.
8. Krieger JN, Poisson MA and Rein MF: Identification of beta-hemolytic activity in *Trichomonas vaginalis* which correlates with virulence. American Federation for Clinical Research (South Section) New Orleans, December 1981. *Clinical Research* 29: 836A, 1981.
9. Krieger JN and Rein MF: Host defenses against *T. vaginalis* in the male genital tracts. American Urological Association. 77th Annual Meeting. Kansas City, May 1982.
10. Poisson MA, Krieger JN, Rein MF and Hewlett E: Purification of beta-hemolysin from *Trichomonas vaginalis*: Contact vs. toxin. American Federation for Clinical Research (National Meeting). Washington, D.C., May 1982. *Clinical Research* 30: 276A, 1982.
11. Krieger JN, Kaiser DL and Wenzel RP: Genitourinary etiology of blood stream infections in hospitalized patients. 22nd Interscience Conference of Antimicrobial Agents and Chemotherapy. Miami, October 1982.
12. Ireton RC, Krieger JN and Mason JT: Urinary calculi in Southeast Asian immigrants. American Urological Association [Western Section]. Vancouver, B.C., July 1983.
13. Krieger JN, Kaiser DL and Wenzel RP: Genitourinary etiology of blood stream infections in hospitalized patients. American Urological Association (Western Section). Vancouver, B.C., July 1983.
14. Algood CB, Krieger JN, Mason JT, Ansell JS and Copass MK: Urological trauma in the Pacific Northwest: Etiology, distribution, management and outcome. American Urological Association, 78th Annual Meeting. Las Vegas, April 1983.
15. Krieger JN, Kaiser DL and Wenzel RP: Nosocomial urinary tract infections: Incidence, treatment and economics in a university hospital. American Urological Association. 78th Annual Meeting. Las Vegas, April 1983.

16. Krieger JN, Dickens CS and Rein MF: Sensitivity testing of *Trichomonas vaginalis* : Use of a time-kill technique. 23rd Interscience Conference on Antimicrobial and Chemotherapy. Las Vegas, October 1983.
17. Tam MR, Hom J, Nielsen IO and Krieger JN: Characterization of trichomonads with monoclonal antibodies. 23rd Interscience Conference on Antimicrobial Agents and Chemotherapy. Las Vegas, October 1983.
18. Ricketts HJ, Rudd TG, Marcus VL and Krieger JN: Pneumopyelography: An adjunct to percutaneous nephrostomy and nephrolithotomy. Western Angiography Society. Oakland, CA, October 1983.
19. Gasparich JP, Krieger JN, Berger RE and Mason JT: Amiodarone-induced epididymitis in man. Northwest Urological Society, 30th Annual Meeting. Portland,OR, December 1983.
20. Krieger JN, Rudd TG and Mayo ME: Current treatment of infection stones in high risk patients. Northwest Urological Society. 31st Annual Meeting. Seattle, November 1983.
21. Mayo ME, Krieger JN and Rudd TG: Effect of percutaneous nephrostolithotomy on renal function. Northwest Urological Society, 31st Annual Meeting. Seattle, November 1984.
22. Krieger JN, Boatman ES and Kenny GE: *Ureaplasma urealyticum*-induced pyelonephritis in a canine model. American Urological Association, 80th Annual Meeting. Atlanta, May 1985.
23. Ireton RE, Krieger JN, Berger RE, Kiviat MD and Ansell JS: Upper urinary tract fungus ball obstruction: Prevalence, risk factors and management. Western Section, 61st Annual Meeting, American Urological Association. Anaheim, July 1985.
24. See WA, Mack LA and Krieger JN: Ultrasonography in the management of complicated epididymitis. Western Section, American Urological Association, 61st Annual Meeting. Anaheim, July 1985.
25. Krieger JN: Evidence for pathogenicity of *Ureaplasma urealyticum* derived from animal models. International Organization for Mycoplasmaology. Human ureaplasmas: maternal infections. International Symposium. Seattle, October 1985.
26. Gamble LL and Krieger JN: Bladder calculi: Risk factors and management options. Northwest Urological Society, 32nd Annual Meeting. Vancouver, BC, November 1985.
27. Krieger JN: Vaginitis: Why should urologists be interested? Kimbrough Urology Meeting. Seattle, November 1985.
28. Krieger JN, Hooton TM, Brust P, Holmes KK and Stamm WE: Evaluation of chronic urethritis: Defining the role for endoscopic procedures. American Urological Association, 81st Annual Meeting. New York, May 1986.
29. Berger RE, Krieger JN, Ireton RC, Kessler D, Holmes KK, Hamoda T, Close CE, Roberts P and Paulson CA: Comparison of microbiologic findings in men with symptoms of "prostatitis" an

- asymptomatic men. Western Section, American Urological Association, 62nd Annual Meeting. Seattle, July 1986.
30. Bardin E, Berger RE, Freidenberg DH and Krieger JN: Priapism: New concepts of etiology and treatment. Western Section, American Urological Association, 62nd Annual Meeting. Seattle, July 1986.
 31. Laramore GE, Krall, JM, Thomas FJ, Griffin, TW, Maor MH, Hendrickson FR and Krieger, JN: Improved local control and survival for advanced prostate cancer: Results of fast neutron radiotherapy. American Radium Society, 69th Annual Meeting. London, U.K., April 1987.
 32. Berger RE, Krieger JN, Paulsen CA, Holmes, KK and Kessler D: Case-control study of prostatic localization cultures in men with symptoms of prostatitis. American Urological Association, 82nd Annual Meeting. Anaheim, May 1987.
 33. Krieger JN, Krall JM, Laramore GE and Griffin TW: Fast neutron therapy for locally advanced prostate cancer: Update of past trials and future directions. American Urological Association, 82nd Annual Meeting. Anaheim, May 1987.
 34. Wolner-Hanssen P, Krieger J, Stevens CE, Paavonen J, Koutsky L, DeRouen, T, Critchlow C and Holmes KK: Vaginal trichomoniasis: A cross-sectional study of clinical manifestations and risk factors adjusting for effects of co-infections. Infectious Disease Society for Obstetrics and Gynecology Annual Meeting. Glasgow, Scotland, July 1987.
 35. Odderson I and Krieger JN: Bladder calculi cause morbidity in patients with neurologic diseases and urinary obstruction. Joint meeting of American Academy of Physical Medicine and Rehabilitation (49th Annual Assembly) and American Congress of Rehabilitation (64th Annual Session), Orlando, October 1987.
 36. Jenny C, Hooton TM, Copass MK, Krieger JN, Stamm WE, Corey L, Kiviat NB, Hillier SH and Holmes KK: Sexually transmitted diseases in victims of sexual assault. 7th International Meeting, International Society for Sexually Transmitted Disease Research, Atlanta, August 1987.
 37. Hooton TM, Jenny C, Copass MK, Stamm WE, Krieger JN, Hillier SH and Holmes KK: Antimicrobial prophylaxis for sexual assault victims: evaluation of current practice. 7th International Meeting, International Society for Sexually Transmitted Disease Research, Atlanta, August 1987.
 38. Krieger JN, Tam MR, Nielsen IO, Hale J, Kiviat NB and Holmes KK: Diagnosis of trichomoniasis: Comparison of conventional wet mount, cytology, cultures and monoclonal antibody staining of direct specimens. 27th Interscience and Conference on Antimicrobial Agents and Chemotherapy. New York, October 1987.
 39. Krieger JN, Hooton TM, Brust PJ, Holmes KK and Stamm WE: Evaluation of chronic urethritis: Defining the role for endoscopy. 27th Interscience and Conference on Antimicrobial Agents and Chemotherapy. New York, October 1987.
