

CURRICULUM VITAE

CLAIRE C. YANG, MD

ASSOCIATE PROFESSOR OF UROLOGY
University of Washington School of Medicine
Department of Urology
1959 NE Pacific Street, Box 356510
Seattle, WA 98195-6510

EDUCATION

- 1980-1984 BS, Biology, University of Notre Dame, Notre Dame, Indiana
1984-1988 MD, Vanderbilt University School of Medicine, Nashville, Tennessee

POSTGRADUATE TRAINING

- 1988-1990 Resident, General Surgery, Bowman Gray School of Medicine
Winston-Salem, North Carolina
1990-1993 Resident, Urology, Bowman Gray School of Medicine
Winston-Salem, North Carolina
1993-1995 Fellow, Neurourology, University of Washington Medical Center
Seattle, Washington

FACULTY POSITIONS

- 1995-1997 Acting Assistant Professor of Urology, Department of Urology
University of Washington, Seattle, Washington
1997-2004 Assistant Professor of Urology, Department of Urology
University of Washington, Seattle, Washington
1999-2004 Adjunct Assistant Professor of Neurology
University of Washington, Seattle, Washington
2004-pres. Associate Professor of Urology, Department of Urology
University of Washington, Seattle, Washington
2004-pres. Adjunct Associate Professor of Neurology
University of Washington, Seattle, Washington

HOSPITAL POSITIONS

- 1995-pres. Attending Physician: University of Washington Affiliated Hospitals, Seattle, Washington

1993-pres. Attending Physician: Veterans Affairs Medical Center, Seattle, Washington
Assistant Chief, Urology Section

1993-pres. Attending Physician: Harborview Medical Center, Seattle, Washington

HONORS AND AWARDS

1984 B.S., Biology, with highest honors, University of Notre Dame

1984 Phi Beta Kappa, University of Notre Dame

1988 Dean's Leadership Award, Vanderbilt School of Medicine

1999 Pfizer Scholars in Urology Award

1999 J. A. Ansell Teaching Award
Presented by Department of Urology Residents

2005 Seattle VA Community Heroes Award (for volunteer work in community)

2006 European Patent Office, Patent #05746796.1-2310-US2005015974
Penile compression device for incontinence

2007 J. A. Ansell Teaching Award
Presented by Department of Urology Residents

BOARD CERTIFICATION

1999-pres. American Board of Urology

LICENSURE

1991-1993 North Carolina (currently inactive)

1993-pres. Washington

PROFESSIONAL ORGANIZATIONS

1990-present American Urological Association, Member

1990-1993 North Carolina Medical Society, Member

1991-1993 Southern Medical Association, Member

1993-present Washington State Medical Association, Member

1993-present Society of Women in Urology

1995-2006 American Academy of Neurology, Member

RESEARCH FUNDING (CURRENT)

- 2000-present WE Bradley Family Foundation for Medical Research, Total costs (annual) \$200,000
For U. W. Dept. of Urology Neurourology Laboratory research activities
- 2004-10 Wilt, PI; Yang, I: VA Cooperative Studies Program 409 “Prostate Cancer Intervention vs. Observation Trial (PIVOT) Total costs (annual, patient care only) \$2,000
- 2005-12 Lin, PI; Yang, I: VA Cooperative Studies Program 553 “Chemotherapy after prostatectomy for high risk prostate carcinoma: a phase III randomized study” Total costs (annual, no salary) \$40,000
- 2006-08 Yang, PI: NIH-NIDDK 1 R21 DK069315 “Assessment of Penile Autonomic Innervation” Direct costs (annual): \$200,000
- 2006-08 Yang, PI: NIH-NIDDK 1 U01 DK065202 “Becoming a member of interstitial cystitis cooperative research network” Total costs (annual) \$250,000
- 2006-08 Yang, PI: NIH-NIDDK 5 U01 DK56202-03S2 “Evaluation of heterogeneity in urothelial cells in interstitial cystitis and clinical management of the disease by recombinant modulators” Total costs (annual) \$125,000
- 2006-08 Yang, PI: NIH-NIDDK 5 U01 DK065202-03S2 “DNA fragmentation, oxidative stress and pro-inflammatory cytokines” Total costs (annual) \$125,000
- 2006-10 Berry, PI; Yang, Co-I: 1 R01 NR009692-01A1 “Personal Patient Profile-Prostate (P4): A randomized multi-site trial” Direct costs (annual) \$15,612

INVITED ACADEMIC PRESENTATIONS

May 12, 2001 Clinical Society of Genitourinary Surgeons Annual Meeting “Genitourinary Electrophysiology”, Seattle, WA

October 12, 2002 International Society for the Study of Women’s Sexual Health Annual Meeting “Physiologic Factors in Female Sexual Dysfunction in MS”, Vancouver, BC

May 10, 2004 American Urological Association Annual Meeting, Plenary Session Panel Discussion “Female Sexual Dysfunction”, San Francisco, CA

October 21, 2005 NIDDK Chronic Prostatitis/Chronic Pelvic Pain Syndrome Scientific Conference “Neurophysiologic Evaluation of CP/CPSP”, Baltimore, MD

October 28, 2005 International Society for the Study of Women’s Sexual Health Annual Meeting, State-of-the-Art Lecture “Female Genital Anatomy and the Sexual Response: What’s New Since Masters and Johnson”, Las Vegas, NV

January 13, 2006 Case Western Reserve University, Visiting Professor
Department of OB/GYN Grand Rounds “Female Genital Anatomy and Sexual Response”, Cleveland, OH

May 3, 2007 Oregon Health Sciences University, Visiting Professor
Department of Urology Grand Rounds “Female genital anatomy and sexual response: surgical considerations and comparison with male homologues”, Portland, OR

May 4, 2007 Oregon Health Sciences University, Visiting Professor
Department of OB/GYN Grand Rounds “Female genital anatomy and the sexual response”, Portland, OR

July 5, 2007 Marshfield Clinics, Department of Pathology Rounds “Female genital anatomy: gross and microscopic”, Marshfield, WI

CME PRESENTATIONS

March 1999 18th University of Washington Review Course in Physical Medicine and Rehabilitation
“Urinary Complications of Spinal Cord Injury”

“Diagnosis and Treatment of the Neurogenic Bladder,” National Veterans Affairs Spinal Cord Injury Training Conference, SeaTac, WA, September 1998

December 15, 2000 Scottsdale Healthcare CME presentation “Evaluation of female pelvic pain”, Scottsdale, AZ

March 21, 2001 19th University of Washington Review Course in Physical Medicine and Rehabilitation “Bladder Management, Sexuality and Fertility in Spinal Cord Injury”

June 9, 2001 Virginia Mason Clinics CME presentation “Sexual Function in Multiple Sclerosis” Seattle, WA

November 10, 2001 University of Washington Dept. of Urology CME presentation “Female Sexual Dysfunction”

March 28, 2002 Madigan Army Medical Center 18th Annual Course in Physical Medicine and Rehabilitation, “Genitourinary Electrodiagnostic Testing” Tacoma, WA

March 16, 2003 20th University of Washington Review Course in Physical Medicine and Rehabilitation “Bladder Management, Sexuality and Fertility in Spinal Cord Injury”

September 9, 2003 University of Washington 31st Annual Advances in Family Practice and Primary Care “Female Urinary Incontinence”

November 15, 2003 National Foundation for Sexual Health Medicine, Sexual Health Hospital Symposia “Female Sexual Circuitry”

March 23, 2004 21st University of Washington Review Course in Physical Medicine and Rehabilitation “Bladder Management, Sexual Function and Fertility in Spinal Cord Injury”

March 7, 2006 Evergreen Hospital Pelvic Medicine Rounds “Female Genital Anatomy and the Sexual Response”, Kirkland WA

September 5, 2006 Evergreen Hospital Pelvic Medicine Rounds “Interstitial Cystitis”, Kirkland WA

June 11, 2007 Planned Parenthood of Western Washington, Clinicians Meeting “Interstitial Cystitis/Painful Bladder Syndrome” Seattle, WA

COMMUNITY/NON-ACADEMIC PRESENTATIONS

April 12, 2000 VA Women’s Health Rounds “Female Urinary Incontinence”

November 6, 2000 Multiple Sclerosis Association of King County “Women and MS: A Medical Perspective”

December 4, 2001 Multiple Sclerosis Association of King County “Women and MS: Bladder Management and Sexual function”

January 24, 2005 Multiple Sclerosis Association of King County “Women and MS: Bladder Management and Sexual Function”

February 12, 2005 Martin Luther King, Jr. Memorial Baptist Church Health Fair “Prostate Cancer”

March 30, 2005 University of Washington Faculty Development Days, panelist, “Work/Life Balance”

April 30, 2005 National Multiple Sclerosis Society, Western Washington Chapter, “Male Sexual Dysfunction and Multiple Sclerosis”

November 21, 2005 Multiple Sclerosis Association of King County “Women and MS: Bladder Management and Sexual Function” Seattle, WA

March 8, 2006 University of Washington Faculty Development Days, panelist, “My experience with the promotions process”

January 2, 2007 King County Parkinson Disease Support Group “Bladder problems and Parkinson Disease”

June 11, 2007 Multiple Sclerosis Association of King County “Women and MS: Bladder Management and Sexual Function” Seattle, WA
