1959 NE Pacific Street
Seattle, WA 98195
*This will take you to the UW Medical Center.

Street Address:
1829 NE Columbia Road
University of Washington
Seattle, WA 98195

DRIVING DIRECTIONS

From Interstate 5: Take the N.E. 45th Street Exit (Exit # 169), located north of downtown Seattle. Head east at the end of the exit ramp onto NE 45th Street for half a mile and turn right onto 15th Avenue NE. Take 15th Avenue all the way down to the water (stay in the right lane to avoid turning left onto Pacific Avenue). Once you cross Pacific Street, 15th Avenue curves to the left, and brings you to the S1 parking gatehouse entrance. The Portage Bay Building is located at the far end of S1, south of the lot.

From Route 520: Take the Montlake Boulevard Exit and head north across the Montlake bridge. Just after you cross the bridge, turn left onto NE Pacific Street and drive past the UW Medical Center (on your left). Turn left onto 15th Avenue NE and continue as it curves left, until you get to the S1 parking gatehouse entrance. The Portage Bay Building is located at the far end of S1, south of the lot.

PARKING

- Stop at the gatehouse entrance to the S1 parking lot to purchase a parking pass.
- Passes cost $15, payable by cash or credit card. Some appointments allow validated parking upon exit. Check with the Autism Center staff person.
- There are 2 parking spaces reserved on the bottom level of the S1 parking lot for CHDD clients and research participants. If you would like to use these spaces, please let the gatehouse know as you pick up your parking pass. The rest of S1 is also available to you, should those spaces be taken.
- You can also ask for a disability parking pass at the gatehouse, which will allow you to park in the disability parking spaces.
- **Leave the parking permit on the dashboard of your car when you come in for your visit.**
- At the end of your visit, if you have received a validation sticker, stop at the gatehouse on your way out for a full reimbursement of your parking pass. Without a validation sticker, you can stop at the gatehouse for partial reimbursement for parking times under 4 hours.
- In the rare event that the S1 parking lot is full, the gatehouse attendant will direct you to other options.

ENTERING THE PORTAGE BAY BUILDING

The Portage Bay (PB) Building is a red brick (two ends) and gray (center) building just south of the S1 parking lot. The UWAC is located on the west wing of the building. If you are facing south, towards the lake and away from the UW Medical Center, the UWAC is on the right end of the building.
UPON ARRIVAL

After entering the Portage Bay Building, walk through the double door and into the waiting room (Rm. 209), the first room on your right. Use the phone in the waiting room to call the staff person you are here to see. Staff phone list is posted by the phone.
